PART I: BACKGROUND INFORMATION

SUMMARY: On June 25, 2003, the President signed the Keeping Children and Families Safe Act of 2003, Public Law 108-36. The law reauthorizes and amends Section 107(a) of Title I of the Child Abuse Prevention and Treatment Act (the Act), that authorizes grants to States for the purpose of assisting States in developing, establishing, and operating programs designed to improve: (1) the handling of child abuse and neglect cases, particularly cases of child sexual abuse and exploitation, in a manner which limits additional trauma to the child victim; (2) the handling of cases of suspected child abuse or neglect related fatalities; (3) the investigation and prosecution of cases of child abuse and neglect, particularly child sexual abuse and exploitation; and (4) the handling of cases involving children with disabilities or serious health-related problems who are the victims of abuse or neglect.

The term "State" as used in Section 111(5) of the Act includes each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands. In FY 2007, 49 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth

of the Northern Mariana Islands were deemed eligible for grants from funds deposited in the Crime Victims Fund during FY 2008, for a total of \$17,000,000.

Since the Virgin Islands, Guam, American Samoa and the Northern Mariana Islands may submit consolidated grant applications in accordance with 45 CFR Part 97, these jurisdictions need not submit an application under this Program Instruction if they choose to have their allotments included in a consolidated grant and to expend these funds under the authority of another program that is available for consolidation.

Section 1402(d)(2) of the Victims of Crime Act of 1984 has required that the Department of Justice transfer funds to the Administration for Children and Families (ACF) annually to support activities carried out by ACF under the CJA. The Child Abuse Prevention and Enforcement Act (CAPE) legislation, enacted in March 2000, revised the allocation formula. In FY 2009, \$17,000,000 is available for distribution.

PURPOSE: The purposes of this Program Instruction are to set forth the eligibility requirements and the grant application procedures for FY 2009 Children's Justice Act (CJA) grants and to provide the tentative State allocation table.

INFORMATION:

Three-Year Assessment Requirement

Section 107(d) of the Act requires the State Task Force (See description of Task Force at section A.1 on page 9) to undertake a comprehensive review and evaluation of law, policy and the investigative, administrative and judicial handling of cases of child abuse and neglect and to make training and policy recommendations in each of the three categories in Section 107(e)(1) (the three CJA categories). The State Task Force assessment (review, evaluation and recommendations) is required for an initial application and **at three-year intervals thereafter.**

Documentation of the assessment must include the report of the State Task Force study which includes its review, evaluation, and recommendations in all the areas required in Section 107(e)(1)(A), (B) and (C). See page 6.

States which established their eligibility and first received funding **in FY 2006** and States which completed the three-year assessment requirement and received funding **in FY 2006** must **include in their FY 2009 application** documentation that the State Task Force complied with the requirement for a State Task Force study at three-year intervals. Those States are:

Reporting Requirements

1. Fiscal Reports

Fiscal Reports Standard Form-269 (SF-269) is required annually and are due within 90 days after the close of each FY. First report is due 12/31/2010 (Interim) and Final Report is due on 12/31/2011.

Fiscal reports covering the Federal FY of a grant period are interim reports and reports covering the entire 24 months of a grant period are final reports.

Additional information will be provided on the Terms and Conditions issued for the FY 2009 Grants.

States are encouraged to submit their periodic financial reporting forms electronically, via the ACF On-Line Data Collection (OLDC) system. The Web address is <https://extranet.acf.hhs.gov/oldcdocs/materials.html>. To sign up for access to OLDC, send an e-mail request to Frederick.Griefer@acf.hhs.gov

Expenditures under the CJA are to be reported by the State, using a (SF-269A), Financial Status Report and should be submitted directly to:

Administration for Children and Families
Office of Grants Management
370 L'Enfant Promenade, S.W.
6th Floor East
Washington, D.C. 20447
ATTENTION: Division of Mandatory Grants
Children's Justice Act/ Frederick Griefer

2. Program Performance Reports

Program Performance Reports are required once a year as part of the grant application. No other performance reports are required. (See instructions under Section C, PROGRAM DESCRIPTION INSTRUCTIONS on page 13.)

Grant Administration Regulations

The regulations which apply to the administration of these grants are contained in 45 CFR Part 92, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," (See website link on page 16 for a copy of 45 CFR Part 92 revised regulations).

EXPENDITURE OF FUNDS:

A State is encouraged to obligate (establish binding contracts and sign them) these funds in one year but is **required** to obligate and liquidate (spend) CJA Federal funds no later than two years after the end of the calendar year in which the funds are awarded. Grantees have until December 31, 2011 to obligate and liquidate FY 2009 CJA funds. A negative grant award will be issued for any unobligated or unliquidated balances reported as of **December 31, 2011**, and returned to the Treasury.

States must obligate and liquidate all FY 2007 CJA funds by **December 31, 2009**.

No-cost extension requests will not be approved except in the event of a natural occurrence of destruction or distress. These circumstances are defined in 45 CFR § 95.22. (See Appendix).

Those States requesting an extension due to a natural occurrence of destruction or distress are to provide a written request, explaining the amount of money that remains to be liquidated and the circumstances for such an extension to: **Acting Commissioner Maiso L. Bryant, Attn: Children's Bureau, Administration on Children, Youth and Families, 1250 Maryland Avenue, S.W., 8th Floor Washington, D.C. 20024,** no later than November 1, 2009.

NOTE: The Office of Grants Management is pleased to work with grantees needing guidance in the obligation and liquidation of funds according to the terms and conditions of their grant award.

AVAILABILITY AND ALLOCATION OF FUNDS:

The Victims of Crime Act of 1984, as amended by the CJA and the Violent Crime Control and Law Enforcement Act of 1994, provided that \$10,000,000 deposited in

the Crime Victims Fund in any fiscal year be made available to the Department of Health and Human Services for CJA grants to the States, except that 15 percent will be reserved by the Attorney General for CJA grants to Native American tribes. However, with the enactment of the Child Abuse Prevention and Enforcement Act (CAPE) in March 2000, the amount transferred to ACF would increase up to a cap of \$17,000,000, when the amount of money deposited in the Trust Fund increased above the FY 1998 level. In FY 2009, the total funds available for the CJA grants will be \$17,000,000.

Funds will be allocated to States based on a formula similar to that used in distributing the CAPTA State grants, i.e., a base amount of \$50,000 will be awarded to each State; an additional amount will be awarded bearing the same ratio to the total funds remaining as the number of children under the age of 18 in each State bears to the total number of children under 18 in all the States.

The tentative Fiscal Year 2009 allocation for each State is shown in Attachment 1.

Excess Funds:

Any excess funds resulting from States not meeting the eligibility requirements will be awarded to eligible States on a pro rata share basis. When a State receives more than their tentative allocation, **supplemental information to explain the State's use of these additional funds should be submitted in the form of a letter to Acting Commissioner Maiso L. Bryant, Administration on Children, Youth and Families, 1250 Maryland Avenue, S.W., 8th Floor, Washington, D.C. 20024 no later than November 30, 2009.**

The use of excess funds must conform to the guidelines contained in this Program Instruction.

PROJECTS AND ACTIVITIES:

In accordance with Section 107(a) of the Child Abuse Prevention and Treatment Act, as amended by the Keeping Children and Families Safe Act of 2003, grants awarded are to be used to develop, establish, and operate programs designed to improve:

1. the handling of child abuse and neglect cases, particularly cases of child sexual abuse and exploitation, in a manner which limits additional trauma to the child victim;
2. the handling of cases of suspected child abuse or neglect related fatalities;
3. the investigation and prosecution of cases of child abuse and neglect, particularly child sexual abuse and exploitation; and

4. the handling of cases involving children with disabilities or serious health-related problems who are victims of abuse or neglect.

In particular grant funds should be used to implement State Task Force recommendations in the following three categories (the three categories from Section 107(e)(1)(A) (B) and (C)) of the Act:

- (A) investigative, administrative, and judicial handling of cases of child abuse and neglect, particularly child sexual abuse and exploitation, as well as cases involving suspected child maltreatment related fatalities and cases involving a potential combination of jurisdictions, such as interstate, Federal-State, and State-Tribal, in a manner which reduces the additional trauma to the child victim and the victim's family and which also ensures procedural fairness to the accused;
- (B) experimental, model, and demonstration programs for testing innovative approaches and techniques which may improve the prompt and successful resolution of civil and criminal court proceedings or enhance the effectiveness of judicial and administrative action in child abuse and neglect cases, particularly child sexual abuse and exploitation cases, including the enhancement of performance of court-appointed attorneys and guardians ad litem for children, and which also ensure procedural fairness to the accused; and
- (C) reform of State laws, ordinances, regulations, protocols and procedures to provide comprehensive protection for children from abuse, particularly sexual abuse and exploitation, while ensuring fairness to all affected persons.

CJA funds should be used for programs to reform State systems and improve the processes by which States respond to cases of child abuse and neglect, particularly child sexual abuse and exploitation and cases of suspected child abuse or neglect related fatalities. This will enable States to deal more effectively with both the child victim and the offender and to limit additional trauma to the child victim.

The ongoing activities of a State Task Force in monitoring implementation of its recommendations and continuing interagency collaboration in carrying out the intent of the Act may be supported with these funds. **Supporting child abuse prevention programs or treatment services is not an appropriate use of CJA funds.**
