Introduction

Welcome to the Medicare Part D Coverage Gap Discount Program (CGDP) Manufacturer Portal Users Guide. As a Manufacturer participating in the CGDP, you have agreed to reimburse Medicare Part D Sponsors advancing the coverage gap discount amount on behalf of Medicare beneficiaries who received covered Part D drugs while in the coverage gap phase of the Medicare benefit as well as receive reimbursements from Sponsors for adjusted invoices.

This guide contains information about the role of the Third Party Administrator (TPA) and how they facilitate the CGDP (the Program) for the Centers for Medicare and Medicaid Services (CMS). This guide will assist you, the Manufacturer, with the necessary information on the use of the CGDP Manufacturer Portal, how to access it, and an overview of its functionality, in order to assist you with complying with the Program.

The TPA is the single point of contact between pharmaceutical Manufacturers and Part D Sponsors participating in the Program. As stated in the Social Security Act (SSA), section 1860D-14A(d)(3), the TPA is required to receive and transmit information between the CMS, pharmaceutical Manufacturers, and other entities as appropriate. It is also required to receive, distribute, or facilitate the distribution of funds of pharmaceutical Manufacturers to appropriate entities, provide adequate and timely information to pharmaceutical Manufacturers, and permit Manufacturers to conduct periodic audits of the data and information used by the TPA to determine Manufacturer discounts for applicable drugs under the Medicare Coverage Gap Discount Program.

The primary function of the CGDP Portal, here forward known as the Portal, is to provide a central repository for Program-qualified prescription drug event (PDE) invoices distributed by the TPA and paid by Program participating Manufacturers and Sponsors. In order to facilitate this processing, the Portal's direct payment process will provide Manufacturers the ability to perform the following functions:

- Invoice review
- Invoice selection for payment initiation
- Invoice payment deferment
- Batch Invoice payment selection
- Automatic payment verification
- Payment receipt review
- Invoice dispute filing
- Reports retrieval

The Portal allows Manufacturers the ability to review each invoice line item due to Medicare Part D Sponsors and the payments due from Sponsors to the Manufacturer. It also provides the ability to initiate bank-to-bank automated clearing house (ACH) transfers for invoice line item payments due to Sponsors, similar to the way online banking customers pay monthly bills.

Note: All payments must be processed in the Portal.

This **CGDP Manufacturer Portal Introduction and Login Users Guide** will provide information on how to access and navigate through the Portal with task-based instructions for login access and an introduction to the links and tabs and their functionality for you to successfully use the Portal.

CGDP Portal Security Settings

The Portal is a U.S. government information system. Once the Portal login page displays, the authorized user is presented with the Welcome and Site Use warning notification and provided with the ability to review the Terms of Use of the Portal application.

The screenshot shows the top of the CGDP Portal login page. At the top left is the Palmetto GBA logo (A Cellerian Group Company) and the CMS logo (Centers for Medicare & Medicaid Services). At the top right are links for "Contact Us" and "Help". Below the logos is a "Welcome" heading. A large warning banner contains several bullet points regarding privacy, security, and system use. Below the banner is a link for "Terms of Use". In the center is a "Coverage Gap Discount Program" heading and a login form with fields for "User ID:" and "Password:" and a "Login" button. Below the login form is a maintenance notice: "The CGDP Portal will be unavailable for scheduled maintenance Sundays from 5-10pm ET. Please arrange to submit transactions before or after this scheduled maintenance period." At the bottom of the page is a footer with copyright information and links for "DISCLAIMER", "PRIVACY POLICY", and "GET ADOBE READER".

Authorized users of the Portal application must adhere to CMS information security policies, standards, and procedures.

The link to the Portal can be found on the TPAdministrator.com website.

To access the Portal, Manufacturers will enter their credential information (User ID and password) provided by the TPA Operations Team. Portal user IDs are a derivation of the Corporate ID number. The Corporate ID number categorizes the information loaded to the Portal. Information is limited to Manufacturer P numbers associated with the Corporate ID only. The TPA provides the initial temporary password to access the Portal to the authorized Manufacturer once the onboarding process is complete.

The upcoming pages contain instructions for three (3) login situations:

- Initial Setup and Login
- Daily Login
- Account Maintenance

Note: Users will not have the ability to view other Manufacturers' data.

CGDP Portal User Roles

The Portal has two (2) different roles for users to access distributed invoices and reports.

- The **Payment Initiator** role provides the responsibility that allows a user to view all functionality of the Portal, including initiating payment of distributed invoices.
- The **Administrator** role provides the responsibility that allows the primary point of contact user to view all functionality of the Portal, save for the ability to initiate payments.

Manufacturer accounts have both a **Payment Initiator** role and **Administrator** role assigned to the primary point of contact, the *TPA Liaison*, listed by the Manufacturer in the Health Plan Management System (HPMS). The **Payment Initiator** role can be assigned to a different individual. HPMS must be updated to display the new authorized associate in the *CGDP Portal Payment Initiator* role for the re-assignment of the **Payment Initiator** role for the Portal. Once HPMS is updated, the newly authorized **Payment Initiator** will need to contact the TPA Operations to receive user credentials to access the Portal.

Additional information regarding the Portal functionality for the **Payment Initiator** or **Administrator** role is available in the subsequent section titled *CGDP Portal Payment Initiator Role and Administrator Role*.

CGDP Portal Login

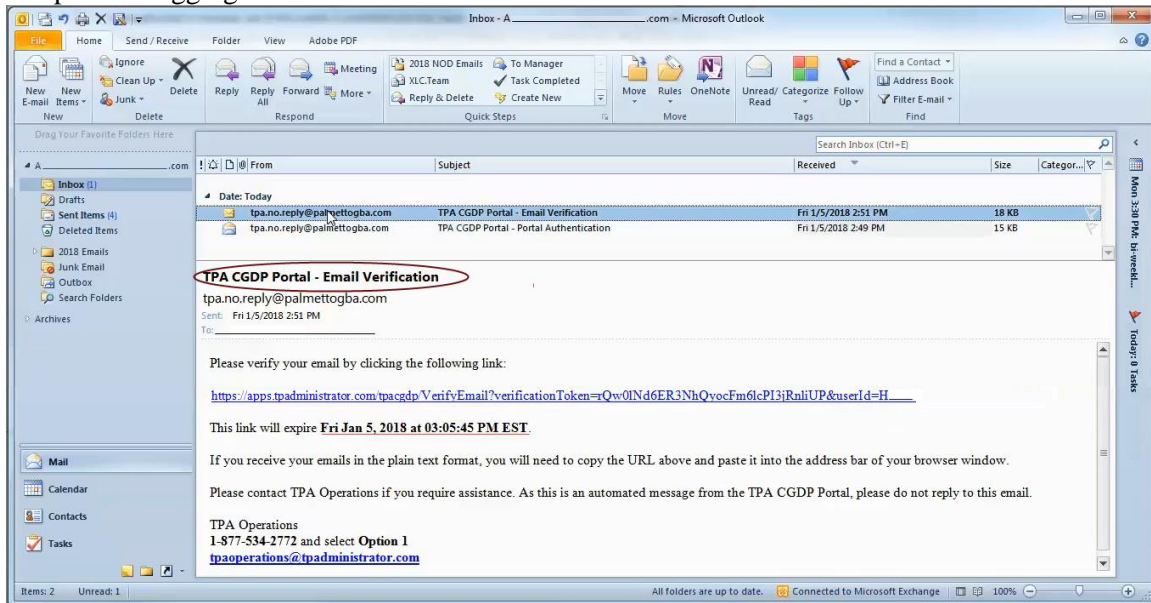

Initial Setup and Login Instructions

An authorized Portal user's initial login requires email verification and password update for secure access to the Portal. The type of role a user is assigned determines the type of security data to be completed.

- First time users with the **Payment Initiator** role authority will be required to verify their email address to allow receipt of User Validation authentication tokens, update their temporary password received from the TPA via email, and provide a four (4)-digit numeric personal identification number (PIN) pass code for payment purposes to access and use the Portal.
- First time users with the **Administrator** role will be required to verify their email address to allow receipt of User Validation authentication tokens and update their temporary password received from the TPA via email to access the Portal.

The following instructions provide step-by-step directions for setting up and logging into the Portal.

1. Prior to logging into the Portal for the first time, the authorized user will receive an email from tpa.no.reply@palmettogba.com titled “TPA CGDP Portal – Email Verification”. The authorized user is required to access the link provided in the email to verify their email address prior to logging into the Portal.

Note: The Email Verification email link will only be valid for *fifteen (15) minutes*. The expiration date and time of the link is provided in the email.

2. If the following error message displays, perform the steps provided in the *Resend Email Verification Link* instruction.

3. Once the **Multifactor Authentication – Email Verification Success** screen displays, the user will select the “*Please click here to log into the Portal*” link provided on the page.

4. Authorized users of the Portal will enter the Corporate ID in the User ID field and the corresponding temporary password into the Password field in the **Login form** and select the *Login* button.

Note: Each user of the Portal must have a unique User ID and password. Palmetto GBA has the right to terminate any user's access if suspicious or improper activity is determined. Your use of this information system establishes your consent to any and all monitoring and recording of your activities. Unauthorized use is prohibited and subject to criminal and civil penalties.

- After entering the User ID and temporary Password successfully, the **User Validation** form will display.

The screenshot shows the CMS (Centers for Medicare & Medicaid Services) website interface. At the top left is the Palmetto GBA logo, and at the top right are links for 'Contact Us', 'Logout', and 'Help', along with a 'Logged on as' field. The main heading is 'Coverage Gap Discount Program'. Below this is a red banner with the text 'User Validation'. The message states: 'Due to system security requirements you will need to enter the multifactor authentication token that has been sent to your email.' There is an input field for the 'Authentication Token:'. Below that, it says 'Latest Multifactor Authentication Token Expiration: **January 11, 2018 9:14:18 AM EST.**' and provides two buttons: 'Validate' and 'Resend Multifactor Authentication Token'. At the bottom, there is a copyright notice: '© 2018 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)'.

- The authorized user will receive an email from tpa.no.reply@palmettogba.com titled “*TPA CGDP Portal – Portal Authentication*”. The authorized user will be required to enter the verification code, provided in the email, into the **Authentication Token** field in the Portal.

Note: The authentication token is submitted via the authorized user’s validated email and is only valid for *fifteen (15) minutes* from generation. The expiration date and time of the token is provided in the email. Users can copy and paste the authentication token or enter the token into the **Authentication Token** field.

7. Enter the supplied authentication token into the **Authentication Token** field prior to the expiration date listed in the email and select the Validate button.

The screenshot shows the CMS Coverage Gap Discount Program User Validation screen. At the top left is the Palmetto GBA logo (A Celerian Group Company) and the CMS logo (Centers for Medicare & Medicaid Services). At the top right are links for Contact Us, Logout, and Help. The main heading is "Coverage Gap Discount Program". Below this is a red bar with the text "User Validation". The text below the bar reads: "Due to system security requirements you will need to enter the authentication token that has been sent to your email." There is a text input field for "Authentication Token" containing seven dots. Below this is the text "Latest Authentication Token Expiration: January 11, 2018 9:14:18 AM EST." At the bottom of the form are two buttons: "Validate" and "Resend Authentication Token". At the very bottom of the page is the copyright notice: "© 2018 PALMETTO GBA, LLC | DISCLAIMER | PRIVACY POLICY | GET ADOBE READER".

Note: This page displays the expiration date of the latest Authentication Token sent to the user's verified email. Authentication tokens are only valid for *fifteen (15) minutes*. The expiration date and time is provided in the Latest Authentication Token Expiration field.

8. If a user receives the following message, first verify that the authentication token is not expired then verify that the token code was entered correctly.

The screenshot shows an error message box with a red header that says "Error Messages". Below the header is a list of error messages: "• The authentication token is invalid."

If this message continues to display after reviewing the date/time and entry of the token provided, the user should select the **Resend Authentication Token** button *after* the expiration date and time displayed on the **User Validation** screen has passed, in order to receive a new token via email.

Note: If this error message will not stop appearing after requesting new authentication tokens, contact TPA Operations. The TPA Operations contact information is located under the Contact Us link.

9. Once the token has been authenticated, the **Password Expired** and/or the **Security Data Missing form** will display.

The screenshot shows a web interface for the Coverage Gap Discount Program. At the top left, there are logos for Palmetto GBA (A Cellerian Group Company) and CMS (Centers for Medicare & Medicaid Services). At the top right, there are links for 'Contact Us', 'Logout', and 'Help'. The main heading is 'Coverage Gap Discount Program'. Below this, a red banner states 'Your password is expired and must be changed.' Underneath, there is a section titled 'Rules for Passwords:' with a bulleted list of requirements: at least 8 characters long, must start with a letter, must contain a minimum of one character from each of four categories (Uppercase Letters, Lowercase Letters, Numbers, and Special Characters), must contain at least six changed characters from the previous password, must be different from the previous 12 passwords, must be changed every 30 days, and cannot contain spaces. Below the list are three input fields: 'Current Password:', 'New Password:', and 'Retype New Password:'. A second red banner states 'Security Data Missing'. Below this, there is a paragraph explaining that due to system security requirements, the account needs to be updated with information below. There are two input fields: 'Enter PIN:' and 'Retype PIN:'. At the bottom center, there is a 'Save' button.

Note: This screen shot displays the **Payment Initiator** role's **Password Expired** and **Security Data Missing** form.

The screenshot shows a web interface for the Coverage Gap Discount Program. At the top left is the Palmetto GBA logo (A Cellerian Group Company) and the CMS logo (Centers for Medicare & Medicaid Services). At the top right are links for Contact Us, Logout, and Help. The main heading is "Coverage Gap Discount Program" in bold black text. Below it is a red banner with white text that reads "Your password is expired and must be changed." Underneath the banner, the section "Rules for Passwords:" is followed by a bulleted list of password requirements. The requirements are: at least eight characters long; must start with a letter; must contain a minimum of one character from each of the following categories: Uppercase Letters (A-Z), Lowercase Letters (a-z), Numbers (0-9), and Special Characters (must include one of !, @, #, \$, %, ^, *, &, ~, `); must contain at least six changed characters from the previous password; must be different from previous 12 passwords; must be changed every 30 days; and cannot contain spaces. Below the list are three input fields: "Current Password:", "New Password:", and "Retype New Password:". A "Save" button is located at the bottom of the form area.

Coverage Gap Discount Program

Your password is expired and must be changed.

Rules for Passwords:

- Is at least eight (8) characters long;
- Must start with a letter;
- Must contain a minimum of one (1) character from EACH of the following categories:
 - Uppercase Letters (A-Z);
 - Lowercase Letters (a-z);
 - Numbers (0-9);
 - Special Characters must include one of the following:
(!, @, #, \$, %, ^, *, &, ~, `);
- Must contain at least six (6) changed characters from the previous password;
- Must be different from previous 12 passwords;
- Must be changed every 30 days;
- Cannot contain spaces.

Current Password:

New Password:

Retype New Password:

Note: This screen shot displays the **Administrator** role's **Password Expired** form.

10. The **Password Expired** form displays under the heading of “**Your password is expired and must be changed.**” The authorized user will enter the temporary password, provided by the TPA, into the Current Password field, then create and enter a new password in the New Password and Retype New Password fields. New passwords must conform to the Rules for Passwords provided above the password fields.

Your password is expired and must be changed.

Rules for Passwords:

- Is at least eight (8) characters long;
- Must start with a letter;
- Must contain a minimum of one (1) character from EACH of the following categories:
 - Uppercase Letters (A-Z);
 - Lowercase Letters (a-z);
 - Numbers (0-9);
 - Special Characters must include one of the following:
(!, @, #, \$, &, ?, or +);
- Must contain at least six (6) changed characters from the previous password;
- Must be different from previous 12 passwords;
- Must be changed every 30 days;
- Cannot contain spaces.

Current Password:

New Password:

Retype New Password:

Note: Use characters to form a phrase to create a unique password, for example the phrase “*To be, or not to be*” can be transformed into “*ToB#0t2b*”.

In addition, users may have issues with creating unique passwords that do not conform to the rule “Must contain at least six (6) changed characters from the previous password.” For example, a user may have the original password *P@lmetto1* and attempt to change their password to *L@mpPost1*. The @, m, P, o, t, and 1 (one) are the same for both passwords and will not conform to the rule listed above.

When new passwords do not conform to the rules for passwords, the system displays an error message. The following are system generated error messages that may display when incorrect passwords are entered.

Error Messages

- New Password should be at least 8 characters long.
- New Password must begin with a letter.
- New Password must contain at least one upper case letter.
- New Password must contain at least one lower case letter.

The next step provides instruction for those users with a **Payment Initiator** role to set the payment initiation PIN.

Note: The **Security Data Missing** section will not display for users assigned an **Administrator** role. These users should proceed to the next step following the PIN selection in this instruction.

11. The **Payment Initiator** role user will select a four (4)-digit numeric PIN and enter it into both the Enter PIN and Retype PIN fields.

Security Data Missing

Due to system security requirements your account will need to be updated with the information below. Please complete the form to proceed.

Enter PIN:

Retype PIN:

Note: The four (4)-digit PIN must be numeric and entered correctly when retyped.

The Portal displays an error message when the data does not match.

Error Messages

- New PIN and Retype New PIN do not match.

12. After successful completion of the **User Validation** region, if the User ID does not match the TPA Liaison personnel information listed in the CMS HPMS, the following **Primary Point-of-Contact Mismatch** message will display.

Coverage Gap Discount Program

Primary Point-of-Contact Mismatch

You are receiving this notification because the Health Plan Management System (HPMS) does not reflect your information as the "TPA Liaison" even though you have assumed the TPA Primary Contact role for the Medicare Part D Coverage Gap Discount Program (CGDP). The TPA Primary Contact role should be the same person listed as the "TPA Liaison" in HPMS.

Please update HPMS to reflect your information. Once the TPA is able to verify the update in HPMS, this message will be removed. For instructions on how to update this contact information, review the following FAQ link, [How can I update my contact information in HPMS?](#)

Once you click on "I acknowledge the HPMS Mismatch" button below, you will be able to proceed to the portal. If you choose not to acknowledge, access will be denied.

If you have any additional questions, please contact the TPA by phone at: 1-877-534-2772, option 1 or by email at tpaoperations@tpadministrator.com.

© 2017 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)

To access the Portal, select the *I acknowledge the HPMS Mismatch* button to proceed to the Portal.

13. Once the **User Validation** region’s authentication token is entered correctly and, if applicable, the **Point of Contact Mismatch form** acknowledged, the **Home** tab will display in the Portal.

Resend Email Verification Link

If a user is unable to use the “*TPA CGDP Portal – Email Validation*” link prior to the link’s expiration date and time, this instruction will provide steps to assist the user in requesting a new email verification link electronically.

This instruction contains information for new Program participants accessing the Portal for the first time with their temporary access credentials or for returning Program participants using their current access credentials.

1. When a user selects the email verification link after the expiration date and time has lapsed, the Portal will display the following error message.

The screenshot shows a web page header with the Palmetto GBA logo (A Cellerian Group Company) on the left, the CMS logo (Centers for Medicare & Medicaid Services) in the center, and links for 'Contact Us | Help' and 'Test Environment' on the right. The main heading is 'Coverage Gap Discount Program'. Below this is a red banner with the text 'Multifactor Authentication - Email Verification Failure'. The message reads: 'The verification token has expired. Please log into the Portal to resend a verification email.' At the bottom, there is a footer with the text: '© 2018 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)'.

2. To receive a new verification email, select the “*Please log into the Portal to resend a verification email.*” link to log in and access the Portal.

- Once the **Login form** displays enter the Corporate ID in the User ID field and the applicable password into the Password field and select the *Login* button.
 - For new Program participants, the authorized user will enter the temporary password provided by TPA Operations.
 - For returning Program participants, the authorized user will enter the current password created either during the initial setup and login process or after successful password reset functionality has been completed.

Multifactor Authentication - Email Verification

Your email address must be verified in order to securely send multifactor authentication tokens. A verification email has been sent to you. If you have not received it, please click the 'Resend Verification' button below. *We highly recommend logging out of the application and follow the instructions in the verification email.*

Latest Verification Email Expiration: **January 5, 2018 3:05:45 PM EST.**

[Resend Verification](#)

Please contact TPA Operations if you do not receive the verification email within 15 minutes of clicking the button above.

Note: Links are only valid for *fifteen (15) minutes*. The Latest Verification Email Expiration field displays the expiration date and time. The date and time must be expired in order to receive a new verification link.

- Select the Logout link in the upper right corner between the Contact Us and Help links in the Portal. The authorized user is highly recommended to log out of the Portal once they have selected the Resend Verification link in order to reduce the chance of receiving an active session error message.

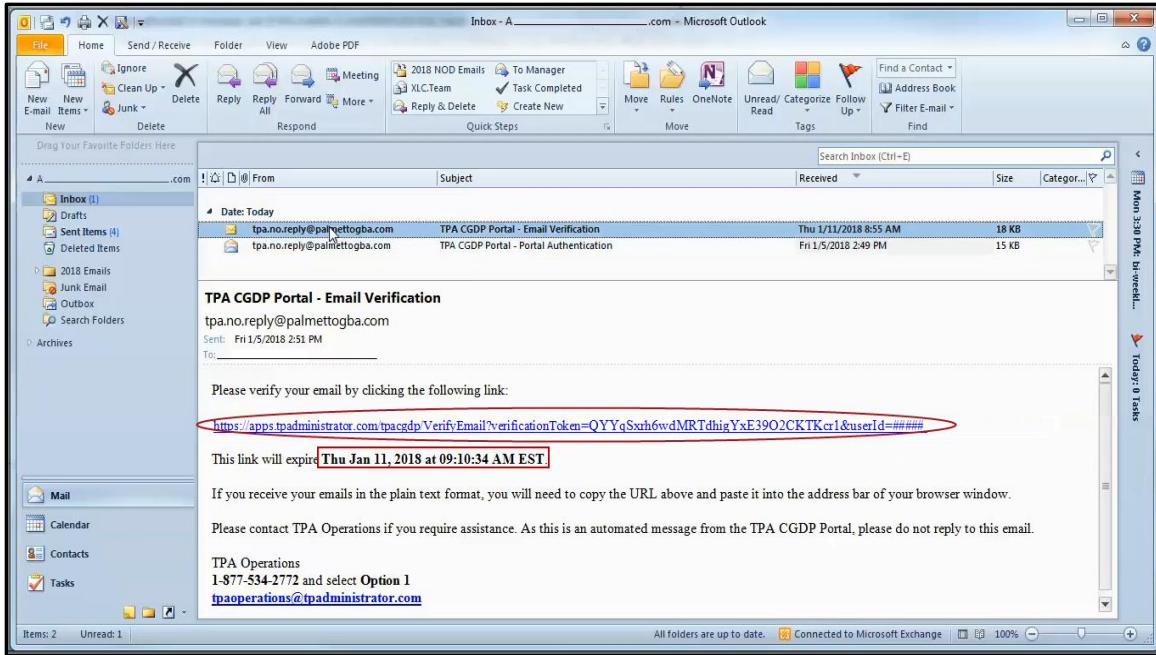

Error Messages

- An active session already exists for the credentials provided.

Note: If a user does not use the Logout link to exit the Portal, the success of completing the instructions provided when using the email link is greatly diminished. Active session error messages will require the user to exit out of the application by closing the browser window and waiting a total of 30 minutes to attempt logging in again.

- The authorized user will receive an email from tpa.no.reply@palmettogba.com titled “*TPA CGDP Portal – Email Verification*”. Select the link provided in the email to verify the email address associated with the User ID.

7. Once the **Multifactor Authentication – Email Verification Success** displays, the end user will select the “Please click here to log into the Portal” link provided on the page to log into the Portal.

8. To resume initial setup and login, return to the *Initial Setup and Login Instruction* and continue with the step for logging into the Portal that states:
“Authorized users of the Portal will enter the Corporate ID in the User ID field and the corresponding temporary password into the Password field in the **Login form** and select the *Login* button.”

You have successfully completed the Resend Email Verifications process for the Portal.

Daily Login Instructions

Daily access to the Portal is a simple two (2)-step process. Authorized users will need a password and MFA token to gain access.

This instruction provides the steps necessary for a user to access the Portal whether the assigned role is a **Payment Initiator** role or an **Administrator** role.

1. Access the TPAdministrator.com website and select the link for the CGDP Portal.

The screenshot shows the TP Administrator website interface. At the top, there is a navigation bar with the Palmetto GBA logo, a search bar, and links for Archives, Contact Us, and Email Updates. Below the navigation bar, there is a main heading "Welcome to the Third Party Administrator (TPA)" followed by a brief description of the TPA's role. A row of four tiles is displayed: "CGDP PORTAL" (highlighted with a red border), "CONTACT US", "EMAIL UPDATES", and "FAQ". Below this row, there are four columns of content: a vertical list of links (DISPUTES, EFT INFORMATION, INVOICES, REFERENCES), an "IMPORTANT UPDATE" section regarding the Medicare Part D CGDP Q3 2019 payment deadline, and a "CGDP CUTOFF DATES" section listing reporting and payment deadlines for Q4 2019.

2. Authorized users of the Portal will enter the Corporate ID in the User ID field and their password into the Password field in the **Login form** and select the *Login* button.

Note: Unsuccessful login attempts will generate a system error message.

Error Messages

- Authentication not successful.

After three (3) unsuccessful login attempts, the User ID is locked, and the user is presented with a system error message:

Error Messages

- User ID is locked due to too many unsuccessful login attempts. Please contact TPA Operations to unlock your ID.

Note: If this message appears, contact TPA Operations to have your account reset. The TPA Operations contact information is located under the Contact Us link.

After 30 days of inactivity, the following error message appears to the authorized user attempting to access the Portal:

Error Messages

- Your account is no longer active. Please contact TPA Operations.

Note: The TPA Operations can also disable access to the Portal on a case-by-case basis. If this message appears, contact TPA Operations to have your account reset. The TPA Operations contact information is located under the Contact Us link.

3. After entering the User ID and Password successfully, the **User Validation** form displays.

User Validation

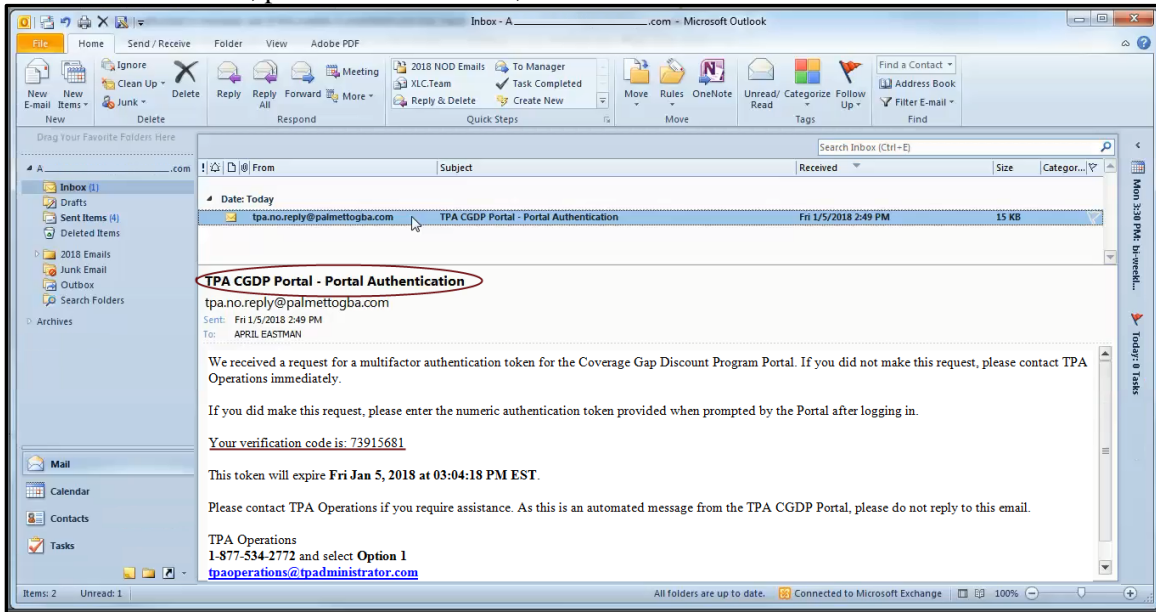

Due to system security requirements you will need to enter the authentication token that has been sent to your email.

Authentication Token:

Latest Authentication Token Expiration: **January 5, 2018 3:04:18 PM EST.**

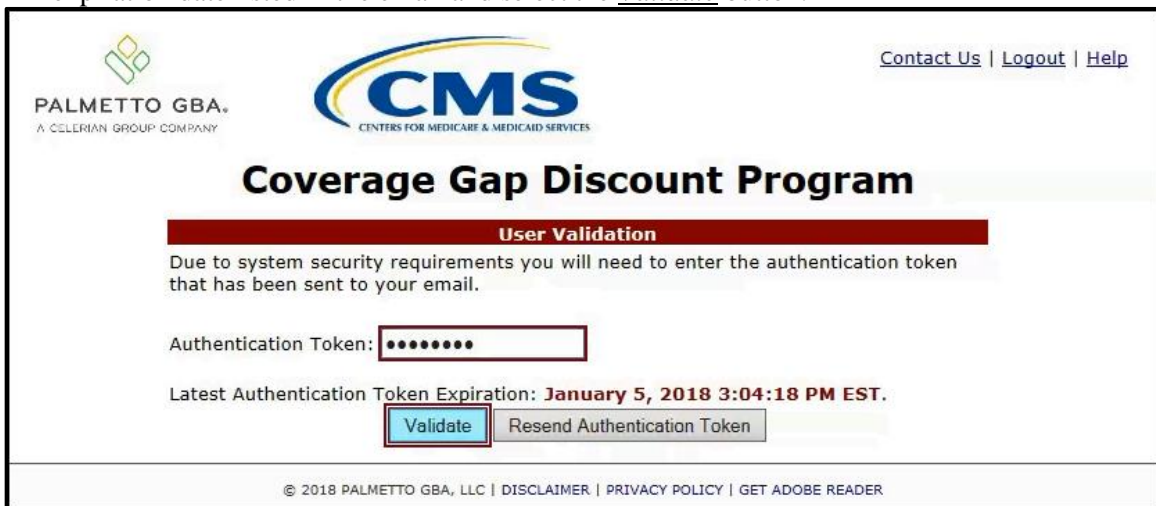

© 2018 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)

- The authorized user will receive an email from tpa.no.reply@palmettogba.com titled “TPA CGDP Portal – Portal Authentication”. The authorized user will be required to enter the verification code, provided in the email, into the **Authentication Token** field in the Portal.

Note: The authentication token is submitted via the authorized user’s validated email and is only valid for *fifteen (15) minutes* from generation. The expiration date and time of the token is provided in the email. Users can copy and paste the authentication token or enter the token into the **Authentication Token** field.

- Enter the supplied authentication token into the **Authentication Token** field prior to the expiration date listed in the email and select the Validate button.

Note: This page displays the expiration date of the latest Authentication Token sent to the user’s verified email. Authentication tokens are only valid for *fifteen (15) minutes*. The expiration date and time is provided in the Latest Authentication Token Expiration field.

6. If a user receives the following message, first verify that the authentication token is not expired then verify that the token code was entered correctly.

If this message continues to display after reviewing the date/time and entry of the token provided, the user should select the **Resend Authentication Token** button *after* the expiration date and time displayed on the **User Validation** screen has passed, in order to receive a new token via email.

Note: If this error message will not stop appearing after requesting new authentication tokens, contact TPA Operations. The TPA Operations contact information is located under the [Contact Us](#) link.

7. Once a user successfully enters their password and the required authentication token, a system message will display detailing the number of unsuccessful login attempts since the last correct login.

This system message displays a successful access attempt:

8. However, if a user is not successful in accessing the Portal and their account becomes locked, the system message will display the number of unsuccessful logins attempted after the user access has been restored and the user successfully logs into the Portal:

9. Once entered correctly, the **Home** tab becomes available.

If a user does not select the Logout link to close active sessions of the Portal, they may receive the following message when attempting to log back in.

Error Messages

- An active session already exists for the credentials provided.

Note: If this message appears, a user must select the Logout link to log out of the Portal window and wait for a minimum of 30 minutes before attempting to log back into the Portal. For continuing issues with gaining access to the Portal, please use the information listed in the Contact Us link to contact TPA Operations.

You have successfully completed the daily login and logout process.

Account Maintenance Instructions

Account maintenance provides Portal users with the ability to update information via the [My Profile](#) link in the upper right hand corner of the Portal after completing login.

Users can update the information listed below:

- Change Password
- Update PIN

The ability to update these items is dependent on being able to access the Portal. If a user is unable to access the Portal to update any of these categories, the [Contact Us](#) link on the [TPAdministrator.com](#) website is available for users to contact TPA Operations for assistance.

Change Password Instructions

1. After accessing the My Profile link, select the Change Password link to change a user's login password.

Note: The system requirement is to update passwords every 30-day interval. However, the Portal will not send notifications or reminders to update a password.

2. The **Password Modification form** allows an authorized user to enter their current password and enter their new password in both the designated New Password and Retype New Password fields.

The screenshot shows the 'Coverage Gap Discount Program' interface. At the top left is the Palmetto GBA logo (A Celerian Group Company) and at the top right is the CMS logo (Centers for Medicare & Medicaid Services). The main heading is 'Coverage Gap Discount Program'. Below this, it indicates the user is logged on as 'Test Environment'. The form title is 'Password Modification'. It lists 'Rules for Passwords' with several bullet points: must be at least 8 characters long, must start with a letter, must contain a minimum of one character from each of uppercase letters, lowercase letters, numbers, and special characters, must contain at least six changed characters from the previous password, must be different from previous 12 passwords, must be changed every 30 days, and cannot contain spaces. Below the rules are three input fields: 'Current Password:', 'New Password:', and 'Retype New Password:'. At the bottom of the form are 'Save' and 'Cancel' buttons. A footer contains copyright information and links to disclaimer, privacy policy, and Adobe Reader.

Password Modification

Rules for Passwords:

- Is at least 8 characters long;
- Must start with a letter;
- Must contain a minimum of one (1) character(s) from EACH of the following categories:
 - Uppercase Letters (A-Z);
 - Lowercase Letters (a-z);
 - Numbers (0-9);
 - Special Characters must include one of the following: (!, @, #, \$, &, ?, or +);
- Must contain at least six (6) changed characters from the previous password;
- Must be different from previous 12 passwords;
- Must be changed every 30 days;
- Cannot contain spaces.

Current Password:

New Password:

Retype New Password:

Save Cancel

© 2017 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)

Note: Both the **Payment Initiator** role and the **Administrator** role have access to this functionality.

3. New passwords must conform to the specific formats provided in the [Rules for Passwords](#) section.

<p>Rules for Passwords:</p> <ul style="list-style-type: none">• Is at least eight (8) characters long;• Must start with a letter;• Must contain a minimum of one (1) character from EACH of the following categories:<ul style="list-style-type: none">• Uppercase Letters (A-Z);• Lowercase Letters (a-z);• Numbers (0-9);• Special Characters must include one of the following: (!, @, #, \$, &, ?, or +);• Must contain at least six (6) changed characters from the previous password;• Must be different from previous 12 passwords;• Must be changed every 30 days;• Cannot contain spaces.
--

Note: Use characters to form a phrase to create a unique password, for example the phrase “*To be, or not to be*” can be transformed into “*ToB#0t2b*”.

In addition, users may have issues with creating unique passwords that do not conform to the rule “Must contain at least six (6) changed characters from the previous password.” For example, a user may have the original password *P@lmetto1* and attempt to change their password to *L@mpPost1*. The @, m, P, o, t, and 1 (one) are the same for both passwords and will not conform to the rule listed above.

4. Once a password has been updated, select the [Save](#) button.

You have now successfully completed changing your password in the Portal.

Update PIN Instruction

1. To change the Payment Initiation PIN, select the Update PIN link.

The screenshot shows the 'Coverage Gap Discount Program' interface. At the top left is the Palmetto GBA logo (A CELERIAN GROUP COMPANY) and at the top right is the CMS logo (CENTERS FOR MEDICARE & MEDICAID SERVICES). The main heading is 'Coverage Gap Discount Program'. Below this, it says 'Logged on as _____'. Underneath is a grey bar labeled 'Account Maintenance'. Below that bar are two links: 'Change Password' and 'Update PIN'. The 'Update PIN' link is highlighted with a red rectangular box.

Note: Only authorized **Payment Initiator** role users will be able to update a PIN.

2. The **PIN Modification form** becomes available for an authorized user to enter the current PIN in the Old PIN field and then enter the new PIN in both the New PIN and Retype New PIN fields.

The screenshot shows the 'Coverage Gap Discount Program' interface with the 'PIN Modification' form. At the top left is the Palmetto GBA logo (A CELERIAN GROUP COMPANY) and at the top right is the CMS logo (CENTERS FOR MEDICARE & MEDICAID SERVICES). The main heading is 'Coverage Gap Discount Program'. Below this, it says 'Logged on as _____'. Underneath is a grey bar labeled 'PIN Modification'. Below that bar are three input fields: 'Old PIN:', 'New PIN:', and 'Retype New PIN:'. Each input field is highlighted with a red rectangular box. At the bottom of the form are two buttons: 'Save' and 'Cancel'. The 'Save' button is highlighted with a red rectangular box.

Note: The New PIN format must be a four (4)-digit numeric only code.

3. Once the PIN has been updated, select the Save button.

You have successfully updated your payment initiation PIN in the Portal.

CGDP Portal Functions

CGDP Portal Icons and Links

There are recurring icons and links throughout the Portal that appear throughout the system. These icons and links provide quick access to the following functions:

ICON	Definition
<i>Calendar</i> 	Icon provides an expanded calendar that allows users to select future months and dates.
<i>Next Page</i> 	Icon provides access to move forward to next page in document, if available.
<i>Prior Page</i> 	Icon provides access to return to prior page in document, when available.
<i>Print</i> 	Icon provides users with displayed information formatted in a Microsoft Excel file.

Links display in the upper right hand corner of most Portal pages:

Link	Definition
<i>Contact Us</i>	Link provides contact information for the TPA Operations team.
<i>Help</i>	Link provides access to the New Direct Payment Process Information section of the TPA Operations website.
<i>Logout</i>	Link provides one (1)-click access for logging out of the Portal system.
<i>My Profile</i>	Link provides access to authorized users to update password, payment initiation personal identification number (PIN), or bank account information.
<i>Reporting</i>	Link provides access for creation of reports containing specific data criteria or all available data criteria for invoice line items or receipts.

The **Payments** tab screen shot below depicts the relative locations of the Icons and Links in the Portal.

My Profile link content:

The My Profile link provides an authorized user with the ability to review and update their Portal authorized access information, such as changing passwords, payment initiation PIN, or banking information.

The EFT Information for Parent Organization region provides a listing of the P numbers associated with the Manufacturer parent organization. Current information pertaining to the bank accounts linked with each Company Identification (ID) for Payee Account (depository bank account for Portal paid Invoice receipts) and the Payer Account (draft bank account for Portal initiated Invoice payments) are provided in table format.

The Account Maintenance form also provides links to banking information forms when banking information requires update.

The [Request Payee Account Modification](#) link opens the Coverage Gap Discount Program Electronic Funds Transfer (EFT) Online form.

Coverage Gap Discount Program

Electronic Funds Transfer (EFT) Online Form

As Third Party Administrator (TPA) Support Center for the Coverage Gap Discount Program (CGDP) under contract with the Centers for Medicare & Medicaid Services (CMS), Palmetto GBA, LLC. will facilitate electronic funds transfers in the form of an ACH transaction between the drug manufacturers and sponsors. By completion and submission of this form, you are authorizing Palmetto GBA, LLC. to:

1. Provide instructions to the bank to initiate credit entries to the bank account listed below, and if necessary to electronically debit the account to correct erroneous transactions.
2. Provide the bank account listed below, directly to authorized CGDP program payers in situations where only an indirect payment is possible.

This authorization will remain in full force and effect until Palmetto GBA, LLC. receives written notification that you wish to revoke the authorization. Notification must be given in such time and such manner as to afford Palmetto GBA, LLC. a reasonable opportunity to act on it.

Business Name for tax purposes (as registered with the IRS). A W-9 may be required.

Employer/Tax Identification Number (EIN or TIN):

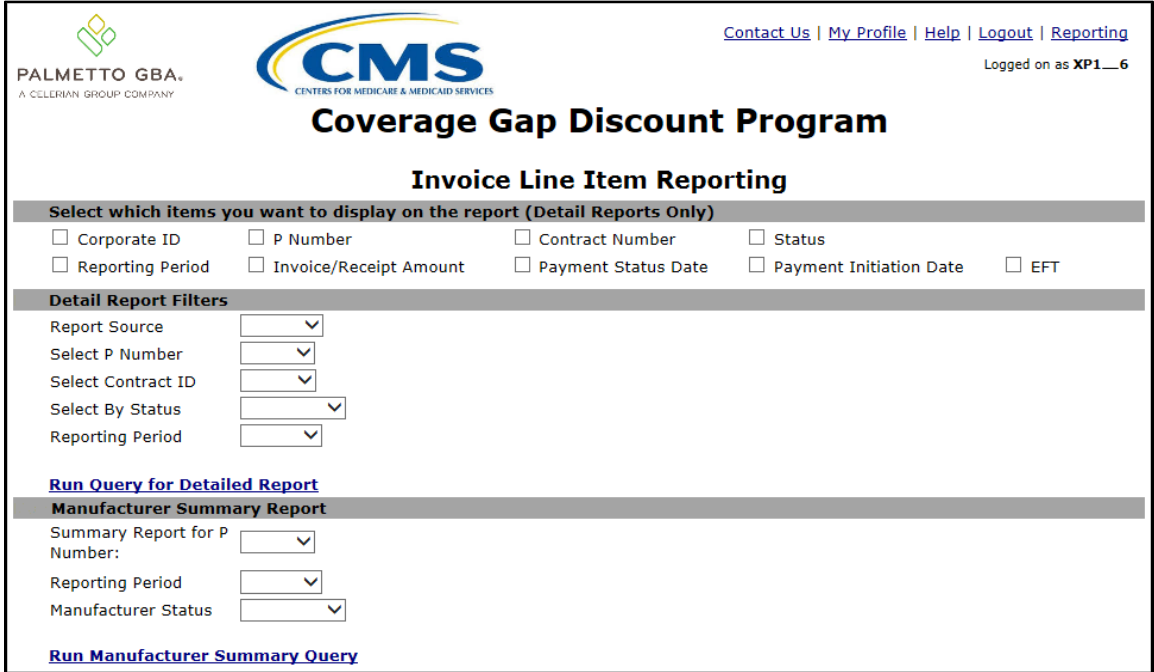

This form is used to modify only the existing bank account information that displays in the [My Profile](#) table in the Portal. The Payer Account(s) are the account(s) where Invoices due for payment to Sponsors are debited.

Reporting link:

Reporting link content:

The **Reporting link** allows a user to generate reports for specific data criteria or all available data criteria for invoice line items or receipts.

Detailed instructions for the Reporting link functionality can be found in the **CGDP Manufacturer Portal Payments Users Guide** located under [References](#) on the TPAdministrator.com website.

CGDP Portal – Home Tab

The **Home** tab is the initial page that displays once an authorized user gains access to the Portal. From this page, a user can review their distributed invoices associated with available reporting periods in the Portal. With initial login, the Home, Reports, and Disputes tabs are available. To activate all tabs in the Portal, users can select an applicable reporting period to view by populating the Select radio button.

Manufacturer Portal Coverage Gap Discount Program Home

Corporate ID: XP1__9 | Invoice Type: ALL | P Number: ALL | Reporting Period: ALL | Status: ALL | 1 - 3 out of 3

Invoice Type	Corporate ID	P Number	Reporting Period	Status	Select
BY Closeout	XP1__9	P1__9	2016	Available	<input type="radio"/>
Quarterly	XP1__9	P1__9	201503	Available	<input type="radio"/>
Quarterly	XP1__9	P1__9	201502	Available	<input type="radio"/>

Reporting Periods with no invoice line items
Filter by: A P Number: ALL | B Reporting Period: ALL

P Number	Reporting Period
P1__9	201601
P1__9	201504

The **Home** tab contains six (6) regions.

1. **Tabbed region** displays the tab that is currently active and tabs available for selection. The tabbed region is available in all functionality of the system and provides a user with the ability to move throughout the system.
2. **Filter region** provides a user with the ability to search data listed by the defaulted Corporate ID.
3. **Welcome Message region** provides a message of activities that are available in the system.
4. **Filter Results region** displays results based on data entered in the **Filter region**. The **Filter Results region** may contain two (2) types of distributed invoices, Quarterly invoices and Benefit Year (BY) Closeout invoices.
5. **Status Definitions region** provides definitions of the statuses displayed in the **Filter Results region**.
6. **No Invoice Activity region** displays all reporting periods that did not receive distributed invoices for assigned P numbers. This region provides notification to Manufacturers of periods where there was no coverage gap invoice activity available for the specified reporting period.

The upcoming pages will describe each region and its associated functions in detail.

Tabbed Region – Home

The **Tabbed region** allows a user to select different activities to perform while accessing the Portal. After logging into the Portal, the active tab displayed is the **Home** tab. The **Tabbed region** displays with the available tabs:

- Home
- Reports
- Disputes

Selecting a distribution invoice line for review in the **Filter Results region** on the **Home** tab will activate these tabs in the **Tabbed region**:

- Payments
- Completed
- Receipts

Filter Region – Home

The **Filter region** on the **Home** tab contains six (6) fields to assist a user with narrowing distributed invoice criteria.

- A. Corporate ID column defaults to the Corporate ID utilized to access the system.
- B. Invoice Type field allows a user to select the type of invoice to view from the drop down menu. Invoice types can be one (1) of the following selections:
 - BY Closeout
 - Quarterly
- C. P Number field allows a user to select a P number from the drop down list that is associated with the Corporate ID.

Note: Manufacturers may have multiple P numbers associated with the Corporate ID. To view all P numbers for the Corporate ID, users can select 'ALL' from the drop down list.
- D. Reporting Period field allows a user to select reporting periods for distributed invoices, by calendar year and quarter, in YYYYQQ format for quarterly data and by calendar year, in YYYY format for BY Closeout data. To view all distributed invoices, users can select 'ALL' from the drop down list.
- E. Status field allows a user to select a specific status assigned to distributed invoices or allows a user to select 'ALL' to view all statuses assigned. Statuses can be one (1) of six (6) selections:
 - Available, Failed, Incomplete, Pending, N/A, and Successful
- F. Item Count column displays the number of invoice line items displayed on the current page of the total number of invoices included for the reporting period.

Welcome Message Region

The **Welcome Message region** on the **Home** tab provides a quick overview of some of the tasks that are available in the system as well as providing instruction for beginning the payment functionality process.

3

Welcome to Coverage Gap Discount Portal where you can initiate a payment, check the status of payments and receipt of payments as well as view your reports.

For payment functions, start by selecting a line item from the list to the left of this message.

Filter Results Region – Home

The **Filter Results region** on the **Home** tab displays information requested in the **Filter region – Home** based on the data requested in the Invoice Type, P Number, Reporting Period, or Status fields.

The **Filter Results region** contains six (6) columns that assist a user in reviewing distributed invoices for processing payment initiations.

4

A <u>Invoice Type</u>	B <u>Corporate ID</u>	C <u>P Number</u>	D <u>Reporting Period</u>	E <u>Status</u>	F <u>Select</u>
BY Closeout	XP1__9	P1__9	2016	Available	<input type="radio"/>
Quarterly	XP1__9	P1__9	201503	Available	<input type="radio"/>
Quarterly	XP1__9	P1__9	201502	Available	<input type="radio"/>

- A. Invoice Type column displays the types of invoices available, either Quarterly or BY Closeout.
- B. Corporate ID column defaults to the Corporate ID utilized to access the system.
- C. P Number column displays a specific P number, or all P numbers associated with the Corporate ID, based on the distributed invoice line selected in the **Filter region** on the **Home** tab.
- D. Reporting Period column displays BY Closeout invoices by calendar year, in YYYY format and quarterly invoices distributed by calendar year and quarter, in YYYYQQ format. Display can contain specific reporting periods or all distributed reporting periods, based on the selection criteria used in the **Filter region**.
- E. Status column displays the status of distributed invoices. This field can display data for one (1) status type or display all statuses, based on the selection criteria entered in the **Filter region**.
- F. Select column displays a radio button to allow a user to select an individual distributed invoice for a specific reporting period to access the invoiced line items. This action also activates all tabs in the **Tabbed region**.

The example below displays the populated Select radio button for a specific reporting period.

4

A Invoice Type	B Corporate ID	C P Number	D Reporting Period	E Status	F Select
BY Closeout	XP1__9	P1__9	2016	Available	<input type="radio"/>
Quarterly	XP1__9	P1__9	201503	Available	<input checked="" type="radio"/>
Quarterly	XP1__9	P1__9	201502	Available	<input type="radio"/>

Status Definitions Region

The **Status Definitions region** on the **Home** tab identifies and defines statuses that may display in the **Filter Results region**.

5

Available	Invoice is ready for payment initiations
Failed	One or more items has an unsuccessful payment attempt
Incomplete	One or more items have not been paid
N/A	No invoice due for payment. Receipt of funds due from Manufacturer or Sponsor.
Pending	All line items have been initiated successfully
Successful	All line items have been paid successfully

No Invoice Activity Region

The **No Invoice Activity region** on the **Home** tab provides a listing of P numbers without distributed invoices for specific reporting periods.

The **No Invoice Activity region** contains two (2) fields that assist a user in reviewing reporting periods with no invoice distributions.

6

Reporting Periods with no invoice line items	
Filter by:	A P Number
	B Reporting Period
	ALL ▾
	ALL ▾
P Number	Reporting Period

CGDP Portal – Payments

CGDP Portal Payment Initiator Role and Administrator Role

As introduced in the Login and Initial Security Data Setup Instructions sections, the Portal contains two (2) roles for Manufacturers to gain access: The **Payment Initiator** role and the **Administrator** role.

The primary point of contact is automatically assigned these two (2) roles for Manufacturers; however, the **Payment Initiator** role can be assigned to a separate associate who will have the responsibility of processing payment of invoice line items submitted each quarter.

Users assigned the **Payment Initiator** role authority will be required to provide a four (4)-digit numeric PIN pass code for payment initiation purposes.

User assigned the **Administrator** role will not have payment authorization available in the Portal.

The upcoming pages will highlight the differences available between the **Payment Initiator** role and the **Administrator** role in the **Payments** tab.

CGDP Portal Payment Initiator Role – Payments Tab View

This example of the **Payments** tab displays the view an associate with the **Payment Initiator** role will view.

Five functions are available with the **Payment Initiator** role.

1. **Initiate All** check box provides a user with the functionality to populate the check box with a check mark. This action selects only invoice line items displayed on the active page for payment initiation.
2. **Payment Initiation Upload region** provides a location for uploading manually created payment files for users working with large volumes of payments for a reporting period.
3. **Update All** check box and field allows a user to set a future date for only invoices displayed on the active page.
4. **Submit** button provides a user one (1)-click functionality to process selected invoice line items for payment.
5. **Stop Payment(s)** button provides a user with one (1)-click functionality to process the selected invoices for stop payment.

Also assigned to a **Payment Initiator** role is the *PIN Validation* form, which requires the entry of a four (4)-digit numeric PIN once selection of the *Submit*, *Upload* or *Stop Payment(s)* buttons takes place for ANY payment initiation processing.

The **Payment Initiator** role associates can set the four (4)-digit numeric PIN using the *Initial Security Data Setup* instruction and update the PIN using the *Account Maintenance: Update PIN* instruction.

The screenshot shows a web browser window titled "Coverage Gap Discount Program". Inside the window, there is a section titled "PIN Validation". Below this title is a text input field containing four dots (••••), which is highlighted with a red rectangular border. Below the input field is a button labeled "Validate", also highlighted with a red rectangular border. The window has a standard blue title bar with a close button (X) in the top right corner.

The instructions included in this guide provide **Payment Initiation** associates step-by-step guidance to complete payment processing.

1. Processing Invoice Payments
2. Processing Future Dated Invoice Payments
3. Initiate All Payment Processing Functionality
4. Processing Stop Payments
5. Processing Payment Initiation Upload Batch Functionality
6. Processing Deferred Invoices

CGDP Portal Administrator Role – Payments Tab View

This example displays the view an associate with the **Administrator** role views when selecting the **Payments** tab.

These five (5) functions are **not** available with the **Administrator** role.

1. Initiate All
2. **Payment Initiation Upload region**
3. Update All
4. Submit button
5. Stop Payment(s) button

Associates assigned the **Administrator** role can review distributed invoices, processed invoices and payment information totals for distributed quarterly invoice line items.

The upcoming **Payment** introduction provides an overview of the functionality offered as guidance for **Payment Initiator** and **Administrator** role associates to understand the payment process and steps needed to complete the processing of invoice line item payments by the Invoice Paid due date of 38 calendar days from date of receipt. Step-by-step instructions for the Portal’s payment functionality are in the **CGDP Manufacturer Portal Payments Users Guide** located under [References](#) on the [TPAdministrator.com](#) website.

Payments Tab – Invoices

The **Payments** tab allows a user to review and process payment information for invoice line items by Sponsor Contract number in the Portal. The available regions in the **Payments** tab differ for **Payment Initiator** role users versus **Administrator** role users.

The screenshot shows the 'Payments' tab in the CGDP Manufacturer Portal. At the top, there are logos for Palmetto GBA and CMS. The navigation menu includes Home, Payments, Completed, Receipts, Reports, and Disputes. The main header reads 'Manufacturer Portal CGDP Payments'. Below this, there are filters for 'Contract Number' (set to ALL), 'Invoice Reporting Period' (201503), and 'Payments due' (12/09/2015). A table of invoice items is displayed with columns for Contract Number, Invoiced Amount, Previous Deferred Amount, Payment/Failed Date, Initiate Payment, Defer, Failed, and EFT ID. To the right, a 'Payment Information' summary shows totals for Invoiced, Failed, Deferred, Pending, Successful, and Available amounts. Below the main table is a 'Pending Transactions' section with a table of contract numbers, authorization amounts, and dates. A 'Payment Initiation Upload' section is also visible on the right.

Contract Number	Invoiced Amount	Previous Deferred Amount	Payment/Failed Date	Initiate Payment	Defer	Failed	EFT ID
H3__2	\$212.47	\$0.00	01/13/2016	<input type="checkbox"/>			CG15031__8H3__2

E4__4	\$11,017.15	12/02/2015	12/02/2015	
E7__6	\$7,375.06	12/02/2015	12/09/2015	<input type="checkbox"/>

Detailed instructions for the **Payments** tab and its contents and functionality are in the **CGDP Manufacturer Portal Payments Users Guide** located under [References](#) on the [TPAdministrator.com](#) website.

Completed Tab – Quarterly Invoices

The **Completed** tab allows a user to review completed payment information for each Quarterly invoice line item by Contract Number. Manufacturers can utilize the Portal to view the status of invoice line items that have completed the payment initiation process. The **Completed** tab provides Manufacturers with the capability to view deferred, pending, or successful invoice payments.

The screenshot displays the 'Completed' tab in the CGDP Manufacturer Portal. At the top, there are logos for Palmetto GBA and CMS, along with navigation links and a user login status. The main navigation bar includes 'Home', 'Payments', 'Completed', 'Receipts', 'Reports', and 'Disputes'. The 'Completed' tab is active, showing 'CGDP Completed Payments' for the reporting period 201604. A search bar allows filtering by Contract Number, Corporate ID, and P Number. A table lists invoice line items with columns for Contract Number, Invoiced Amount, Payment Date, Status, and EFTID. To the right, a 'Payment Information for P1_7' summary shows totals for Invoiced, Received, Deferred, Pending, Failed, and Outstanding amounts. Below the table, a 'Possible Statuses' section explains the meanings of Deferred, Pending, and Successful.

Contract Number	Invoiced Amount	Payment Date	Status	EFTID
S5__0	\$75.24	07/25/2017	Pending	CG16041__7S5__0
H0__4	\$320.11	07/22/2017	Successful	CG16041__7H0__4
H0__4	\$1.40	07/22/2017	Successful	CG16041__7H0__4
H0__2	\$3,561.28	07/22/2017	Successful	CG16041__7H0__2
H0__2	\$75.81	07/22/2017	Successful	CG16041__7H0__2

Payment Information for P1_7	
Total Invoiced	\$4,033.84
Total Received	\$3,958.60
Total Deferred	\$0.00
Total Pending	\$75.24
Total Failed	\$0.00
Total Outstanding	\$0.00

Possible Statuses

- Deferred** Payer has determined that the amount owed is below their bank's ACH minimums
- Pending** Payer initiation was successful. The debiting process, holding period and crediting process still remain
- Successful** Funds should now be available in the payee's account

The invoice line item selected on the **Home** tab drives information displayed on the **Completed** tab.

Detailed instructions for the **Completed** tab and its contents and functionality are in the **CGDP Manufacturer Portal Payments Users Guide** located under [References](#) on the TPAdministrator.com website.

Receipts Tab – Quarterly Invoices

Manufacturers can utilize the Portal to view the status of both Quarterly and BY Closeout invoice line items that are due for receipt from Part D Health Plan Sponsors.

The **Quarterly Invoices Receipts** tab allows a Manufacturer to review negative invoice line item amounts due from Sponsors for adjusted Program-eligible PDE data for quarterly invoice processing.

- Received** Funds should now be available in your account

¹To view receipts for a different reporting period, return to the Home tab and select the radio button line item that contains the desired reporting period.

The invoice line item selected on the **Home** tab drives information displayed on the **Receipts** tab.

Detailed instructions for the **Receipts** tabs and their contents and functionality are in the **CGDP Manufacturer Portal Payments Users Guide** located under [References](#) on the TPAdministrator.com website.

CGDP Portal Reports

The **Reports** tab allows a user to review distributed invoice information for quarterly and BY Closeout invoices, payment-batch submission reports, Sponsor 1099 data, and Ad Hoc report requests.

Quarterly and Benefit Year (BY) Closeout Invoice Reports

Manufacturers can utilize the Portal to review and download invoice summary reports for distributed invoice line items. Quarterly reports provide summary information on the specific reporting period's invoices. BY Closeout invoice summary reports provide information regarding the status of upheld disputed invoices due from Sponsors.

Manufacturer Portal CGDP Reports

Report Type: Invoice Data Tracking Batch Sponsor 1099 Information Ad Hoc

Corporate ID: XP1__9 | P Number: ALL | Reporting Period: ALL | Invoice Type: ALL | 1 - 4 out of 4

Quarterly	P1__9	201502	08/26/2015	<input type="radio"/>	

Quarterly Invoice Reports

Manufacturers can utilize the Portal to view Quarterly invoice summary reports for a specific reporting period's distributed invoices. Positive amounts on the report summarize the payments each Drug Manufacturer will make to the Part D Sponsors. Negative amounts on the report summarize the payments Drug Manufacturers will receive from Part D Sponsors as a result of adjusted or deleted PDEs from previous quarters. Invoice reports provide the Benefit Year, Labeler Level totals, and the Sponsor contract and Manufacturer P numbers for the invoice.

Benefit Year (BY) Closeout Invoice Reports

Manufacturers can utilize the Portal to view BY Closeout invoice summary reports of upheld dispute invoices from the closed benefit year due from Sponsors. The Manufacturer Reimbursement Summary Report allows Manufacturers to identify any amounts owed from the Sponsor for upheld disputes by specific contracts and by benefit year.

The screenshot shows the Palmetto GBA CMS Manufacturer Portal interface. At the top, there are logos for Palmetto GBA and CMS, along with navigation links like 'Contact Us', 'My Profile', 'Logout', 'Help', and 'Reporting'. The user is logged in as 'XHK7' in a 'Test Environment'. A navigation bar includes 'Home', 'Payments', 'Completed', 'Receipts', 'Reports' (highlighted with a red box), and 'Disputes'. The main heading is 'Manufacturer Portal CGDP Reports'. Below this, there are filter options for 'Report Type' (Invoice, Data, Tracking, Batch, Sponsor 1099 Information, Ad Hoc) and search criteria for 'Corporate ID', 'P Number', 'Reporting Period', and 'Invoice Type' (set to 'BY Closeout'). A 'Current Cutoff Calendar' box lists key dates for the reporting period. At the bottom, a table displays the search results.

Invoice Type	P Number	Reporting Period	Date Loaded	Download File	Last Download Date

Benefit Year (BY) Closeout Data Reports

Manufacturers can utilize the Portal to review and download detail data reports for distributed BY Closeout invoice line items. The Manufacturer Reimbursement Detail Report only reports on upheld disputes in which the action taken by the Sponsor to resolve the dispute resulted in a partial or full repayment of the disputed gap discount amount and prior invoicing of the gap discount amount has not been previously invoiced for Sponsor payment to the Manufacturer.

The screenshot shows the 'Reports' section of the CGDP Manufacturer Portal. At the top, there are logos for Palmetto GBA and CMS, along with navigation links and a user login status. Below the navigation bar, the 'Reports' tab is selected. The main heading is 'Manufacturer Portal CGDP Reports'. There are several filter sections: 'Report Type' with radio buttons for Invoice, Data (selected), Tracking, Batch, Sponsor 1099 Information, and Ad Hoc; 'Corporate ID' with a dropdown menu showing 'XP1_9'; 'P Number' with a dropdown menu showing 'ALL'; 'Reporting Period' with a dropdown menu showing 'ALL'; and 'Invoice Type' with a dropdown menu showing 'BY Closeout'. To the right, there is a 'Current Cutoff Calendar' box with a table of dates. Below the filters is a table with the following data:

Invoice Type	P Number	Reporting Period	Date Loaded	Download File	Last Report Downloaded Date	Download Spreadsheet	Last Spreadsheet Downloaded Date
BY Closeout	P1_9	2016	06/29/2016	<input type="radio"/>		<input type="radio"/>	

Tracking Reports

The **Tracking** report provides a Manufacturer with the capability to select and view the cumulative BY Closeout reports that provide the status of all upheld disputes for the closed benefit year. The Upheld Dispute Tracking Report for Manufacturers is a report that will provide the Manufacturer with the status of invoiced PDEs that were disputed and subsequently upheld. The purpose of the report is to inform Manufacturers of any adjustment or deletion activity undertaken by the Sponsor in response to the upheld dispute.

As a reminder, Manufacturers should consider that not all adjustments to the PDE record in response to an upheld dispute would result in a full or even partial reimbursement of the gap discount to the Manufacturer. Part D Sponsors can make changes to both financial and/or non-financial elements on the PDE record to resolve the issue that lead to the successfully disputed PDE, for example through an adjustment to a field such as Fill Number, Days' Supply or Quantity Dispensed on the PDE record. This type of resolution may or may not result in the Manufacturer receiving the gap discount amount back.

Manufacturer Portal CGDP Reports

Batch Reports

The **Batch** report provides a Manufacturer with the ability to review manually created payment batch reports information submitted via the Portal.

The screenshot displays the 'Manufacturer Portal CGDP Reports' interface. At the top, there are logos for Palmetto GBA and CMS. A navigation bar contains 'Home', 'Payments', 'Completed', 'Receipts', 'Reports' (highlighted), and 'Disputes'. Below this, the 'Report Type' section has radio buttons for 'Invoice', 'Data', 'Tracking', 'Batch' (selected), 'Sponsor 1099 Information', and 'Ad Hoc'. A 'Current Cutoff Calendar' box shows the reporting period as 2016, with invoice paid by 08/23/2016 and invoice distribution on 07/01/2016. A search filter shows 'Corporate ID' as 'XP1__8', 'Reporting Period' as 'ALL', and 'Invoice Type' as 'ALL'. The main table lists submission records with the following data:

Corporate ID	Submission Date	Status	Download File	Last Download Date
XP1__8	Submitted at 09/18/2015 @ 4:14 PM	Successfully processed	<input type="radio"/>	01/21/2016 @ 10:29 AM
	Submitted at 09/11/2015 @ 3:22 PM	Successfully processed	<input type="radio"/>	01/21/2016 @ 10:41 AM
	Submitted at 09/11/2015 @ 3:19 PM	Totally Rejected	<input type="radio"/>	01/21/2016 @ 10:41 AM
	Submitted at 08/18/2015 @ 11:22 AM	Partially Rejected	<input type="radio"/>	01/22/2016 @ 1:24 PM
	Submitted at 07/29/2015 @ 2:50 PM	Partially Rejected	<input type="radio"/>	01/21/2016 @ 10:39 AM
	Submitted at 07/29/2015 @ 2:48 PM	Totally Rejected	<input type="radio"/>	07/29/2015 @ 2:49 PM
	Submitted at 07/28/2015 @ 1:23 PM	Partially Rejected	<input type="radio"/>	07/28/2015 @ 1:23 PM
	Submitted at 07/28/2015 @ 1:21 PM	Partially Rejected	<input type="radio"/>	07/28/2015 @ 1:21 PM

Manufacturers can utilize the **Batch** functionality to review the outcome of the payment processing batch text files for multiple invoice line items and provide a user with reports containing uploaded batch file results when using the **Payment Initiation Upload** process. A user can view batch file status for successful processing, partially or totally rejected batch file uploads and review errors associated with rejected records.

Sponsor 1099 Information Report

The **Sponsor 1099 Information** report provides a Manufacturer with the ability to review Sponsor 1099 related non-bank account information for entities receiving payments from Manufacturers, to assist with 1099 reporting for payments made to Sponsors.

This 1099 information report will give a user relevant, easily identifiable, non-bank account information for Sponsors such as business name, tax identification number/employer identification number (TIN/EIN), and mailing address.

The screenshot displays the CGDP Manufacturer Portal interface. At the top left, the logos for PALMETTO GBA (A CELERIAN GROUP COMPANY) and CMS (CENTERS FOR MEDICARE & MEDICAID SERVICES) are visible. On the top right, there are links for [Contact Us](#), [My Profile](#), [Logout](#), [Help](#), and [Reporting](#), along with the text "Logged on as AJ23".

A navigation bar below the logos contains tabs for Home, Payments, Completed, Receipts, Reports (highlighted with a red box), and Disputes. A circled '1' is next to the Reports tab.

The main content area is titled "Manufacturer Portal" and "CGDP Reports". It features a "Report Type" section with radio buttons for Invoice, Data, Tracking, Batch, Sponsor 1099 Information (selected and highlighted with a red box), and Ad Hoc. A circled '2' is next to this section.

Below the Report Type section are three dropdown menus: Corporate ID (set to ALL), P Number, and Reporting Period (set to ALL). The Invoice Type dropdown is also set to ALL. A circled '4' is next to these dropdowns.

At the bottom left, there is a "Choose Format" section with radio buttons for Download Text File and Download Spreadsheet. A circled '5' is next to this section.

On the right side, there is a "Current Cutoff Calendar" box (circled '3') containing the following information:

Current Cutoff Calendar	
Reporting Period	2017
Invoice Paid By	08/26/2017
Invoice Distribution	07/19/2017
Dispute Submission	
Dispute Distribution	

Ad Hoc Reports

The **Ad Hoc** report functionality is used to provide a Manufacturer with the ability to access specially requested data and reports, such as archived reports or other documentation, which are not readily available in the Portal.

The **Ad Hoc** functionality allows a user to view data requested from the TPA using contact information listed on the *Contact Us* link. Fulfilled report requests are available via the population of the Ad Hoc radio button. Reports that can be displayed under the Ad Hoc radio button can consist of:

- Archived reports: Reports are typically removed from the Portal two (2) years after initial load. Reports that are archived off the Portal consist of:
 - Invoice
 - Data
 - Tracking
 - Dispute Resolution
- Special request data: Reports or notifications that do not conform to the existing report formats available on the Reports tab.

Requested reports, accessible via the Ad Hoc radio button, will be available for download for one (1) of the following periods:

- 14 calendar days from request date
- Seven (7) calendar days after download

Reports are removed from the system depending on which time period expires first, request date or last download date.

The screenshot displays the 'Reports' section of the CGDP Manufacturer Portal. At the top, there are logos for Palmetto GBA and CMS, along with navigation links like 'Contact Us', 'My Profile', 'Logout', 'Help', and 'Reporting'. The user is logged in as 'XP1__1'. A navigation bar contains tabs for 'Home', 'Payments', 'Completed', 'Receipts', 'Reports' (which is active and highlighted with a red box), and 'Disputes'. Below this, the page title is 'Manufacturer Portal CGDP Reports'. There are three numbered callouts: 1 points to the 'Reports' tab; 2 points to the 'Report Type' filter where 'Ad Hoc' is selected; 3 points to the 'Current Cutoff Calendar' box. The 'Report Type' filter includes options for Invoice, Data, Tracking, Batch, Sponsor 1099 Information, and Ad Hoc. The 'Corporate ID' is set to 'XP1__1' and 'P Number' is set to 'ALL'. The 'Current Cutoff Calendar' shows: Reporting Period: 2017, Invoice Paid By: 08/26/2017, Invoice Distribution: 07/19/2017, Dispute Submission, and Dispute Distribution. At the bottom, a table with 6 columns (P Number, Reporting Period, Report Type, Date Loaded, Download File, Last Downloaded Date) shows one report entry: P1__1, 201404, Invoice, 07/25/2017, and a download file icon.

Manufacturers can utilize the **Ad Hoc Reports** functionality to view distributed invoice reports prior to the Q2 2015 invoicing period. Report types available for review on the Ad Hoc report page: Invoice, Data, Tracking, Dispute Return, or Dispute Resolution reports.

Detailed instructions for the **Reports** tabs and their contents and functionality are in the **CGDP Manufacturer Portal Reports Users Guide** located under [References](#) on the [TPAdministrator.com](#) website.

CGDP Portal Disputes

Disputes Tab

The **Disputes** tab allows a Manufacturer to review dispute return and resolution files received as part of the dispute process. Manufacturers submit disputes for PDE files included in quarterly invoices that may be incorrect and require review by CMS. The **Disputes** tab lists the return and resolution reports received by the TPA and loaded to the Portal in response to Manufacturer-submitted dispute files.

Dispute_Resolution_R	<input type="radio"/>		201402	P1__1	13	87	100

Manufacturers can utilize the Portal to review return and resolution reports of submitted disputed invoice line items.

Dispute Builder Tab

The **Dispute Builder** tab allows a user to create dispute files from data files received for the current quarter. Utilizing the dispute builder will assist Manufacturers in creating dispute files with required information needed to support disputed PDE line items. Users can select individual or multiple PDE invoice lines from the data file, select the applicable dispute reason code, and enter the required data for supporting the selected line items.

This functionality will assist a user in the ability to create dispute files that pass TPA edit programs to allow review of dispute files by CMS.

Note: Dispute files can only contain data for a single P number. Files containing multiple P numbers for a Corporate ID will error out in the Portal.

Dispute Submission Tab

The **Dispute Submission** tab allows Manufacturers to submit dispute files loaded to the Portal by the Dispute Builder functionality, create and upload manual dispute files from data files received for the current quarter and review statuses for both submitted Dispute Builder created files and manually uploaded dispute files.

This new functionality will assist a user in the ability to verify and review status updates of loaded dispute files. Dispute files undergo system verification via the TPA edit programs to provide CMS with system file edit approved disputes.

2. After entering the User ID and Password successfully, the **User Validation** form displays.

The screenshot shows the 'User Validation' form. At the top left is the Palmetto GBA logo (A Celerian Group Company) and the CMS logo (Centers for Medicare & Medicaid Services). At the top right are links for 'Contact Us', 'Logout', and 'Help'. The main heading is 'Coverage Gap Discount Program'. Below this is a red bar with the text 'User Validation'. The message states: 'Due to system security requirements you will need to enter the authentication token that has been sent to your email.' There is a text input field for 'Authentication Token:'. Below that, it says 'Latest Authentication Token Expiration: **January 5, 2018 3:04:18 PM EST.**' There are two buttons: 'Validate' and 'Resend Authentication Token'. At the bottom, there is a copyright notice: '© 2018 PALMETTO GBA, LLC | [DISCLAIMER](#) | [PRIVACY POLICY](#) | [GET ADOBE READER](#)'.

3. The authorized user will receive an email from tpa.no.reply@palmettogba.com titled “*TPA CGDP Portal – Portal Authentication*”. The authorized user will be required to enter the verification code, provided in the email, into the **Authentication Token** field in the Portal.

Note: The authentication token is submitted via the authorized users’ validated email and is only valid for *fifteen (15) minutes* from generation. The expiration date and time of the token is provided in the email. Users can copy and paste the authentication token or enter the token into the **Authentication Token** field.

4. Enter the supplied authentication token into the **Authentication Token** field prior to the expiration date listed in the email and select the *Validate* button.

The screenshot shows the CMS Coverage Gap Discount Program User Validation page. At the top left is the Palmetto GBA logo (A Celerian Group Company) and the CMS logo (Centers for Medicare & Medicaid Services). On the top right are links for Contact Us, Logout, and Help. The main heading is "Coverage Gap Discount Program". Below this is a red bar with the text "User Validation". The message states: "Due to system security requirements you will need to enter the authentication token that has been sent to your email." There is a text input field for the "Authentication Token" containing seven dots. Below the field, it says "Latest Authentication Token Expiration: January 5, 2018 3:07:19 PM EST." At the bottom of the form are two buttons: "Validate" and "Resend Authentication Token". The footer contains the text: "© 2018 PALMETTO GBA, LLC | DISCLAIMER | PRIVACY POLICY | GET ADOBE READER".

Note: Authentication Tokens are only valid for *fifteen (15) minutes* from the generation of the code.

5. Once a user successfully enters their password and the MFA token code correctly, a system message will display detailing the number of unsuccessful login attempts since the last correct login.

This system message displays a successful access attempt:

6. However, if a user is not successful in accessing the Portal and their account becomes locked, the system message will display the number of unsuccessful logins attempted after the user access has been restored and the user successfully logs into the Portal:

7. After successful login, the **Home** tab will display.

18. Instructions for the **Disputes**, **Dispute Builder**, and **Dispute Submission** tabs and their contents and functionality can be located on the TPAdministrator.com website.

19. To exit out of the Portal application properly, a user must select the Logout link to close active sessions of the Portal.

Navigation: Home | Payments | Completed | Receipts | Reports | Disputes | **Dispute Submission**

Logout link highlighted.

If a user does not select the Logout link to close active sessions of the Portal, they may receive the following message when attempting to log back in:

Error Messages

- An active session already exists for the credentials provided.

Note: If this message appears a user must log out of the Portal window and wait for a minimum of 30 minutes before attempting to log back into the Portal. For continuing issues with gaining access to the Portal, please use the information listed in the Contact Us link to contact TPA Operations.

You have successfully completed accessing and navigating the Portal.

Summary

This **CGDP Manufacturer Portal Introduction and Login Users Guide** introduced the CGDP Portal, how to access it, and provided an overview of its functionality. All invoice payments must be made using the Portal. No other methods of payment may be used.

The primary function of the Portal is to provide a central repository for Program-qualified PDE Quarterly invoices and BY Closeout invoices to be distributed and paid by Program participating Manufacturers and Sponsors with the ability to initiate bank to bank ACH transfers, similar to the way online banking customers pay monthly bills.

This Users Guide introduced how to access the Portal and the differences between the two (2) separate roles for users to access distributed invoices and reports: The **Payment Initiator** role and the **Administrator** role.

You have been introduced to the following functionality for accessing the Portal:

- Initial Setup and Login
- Daily Login
- Account Maintenance

You also received an overview of the following functionality available to end users to process payments, review payment statuses, and review and download reports by using the following:

- Icons and Links
- Payments tab
- Completed tab
- Receipts tab
- Reports tab
- Disputes tab
- Dispute Builder tab
- Dispute Submission tab

Finally, you discovered that all payments are due to be completed in the Portal on or before the payment date listed in the **Payments Due region**, as listed on the **Payments** tab and as noted in the “*Invoice Paid By 38th Calendar Day After Receipt*” as defined in the [Medicare Part D CGDP Calendar](#).

NDC	National Drug Coder
NPI	National Provider Identifier
NSF	Non-sufficient Funds
PIN	Personal Identification Number
PDE	Prescription Drug Event
SFTP	Secure File Transfer Protocol
SSA	Social Security Act
TPA	Third Party Administrators
TIN	Tax Identification Number
UPIN	Unique Physician Identification Number
USD	United States Dollar

Glossary

<u>Term</u>	<u>Definition</u>
Authorization Amount	Displays the amount authorized for payment processing, including amounts located in the <u>Invoice Amount</u> and <u>Previous Deferred Amount</u> fields.
Available	Status designation of an invoice that denotes that an item is ready for payment initiation.
Batch	Report type that displays batch files uploaded to the system with status and ability to download files for review.
Batch ID	Displays the batch numbering convention, system generated, based on the order the batch file received by the system.
Contact Us	Provides contact information for requesting assistance from the TPA Operations team.
Contract Number	Pending contract number assigned by CMS, which allows participation in the Coverage Gap Discount Program.
Corporate ID	Numerical designation assigned by CMS to Manufacturers. For Manufacturers, the current Mailbox ID will be the Corporate ID.
Data	Report type that displays the detail information of distributed invoices and invoice line items and provides the ability to download files for review.
Date Loaded	Displays the invoice distribution date. This date corresponds to the end of month after the reporting period closing. Date format is DD/MM/YYYY.
Date Submitted	Displays the calendar date, in MM/DD/YYYY format, the invoice line item was processed for payment initiation.
Date Time	Displays the batch file date and time for files loaded to the system. Date format is MM/DD/YYYY. Time format is HH:MM AM/PM.
Defer	Provides a check box available for selection when the <u>Invoiced Amount</u> or the combination of the <u>Invoiced Amount</u> and the <u>Previous Deferred Amount</u> total less than the system-defaulted allowable amount. Invoice line items can only be deferred if the Manufacturer or Sponsors banking ACH process prevents payment of invoice line items that fall below the minimum ACH processing amount.
Deferred	Status designation of an invoice that denotes that invoice amount falls below minimum. Invoice line items can only be deferred if the Manufacturer or Sponsors banking ACH process prevents payment of invoice line items that fall below the minimum ACH processing amount.
Description (Batch)	Displays the batch file name loaded to the system.
Dispute	Report type that provides the ability to enter dispute requests and review the status of entered requests.
Dispute Distribution	Current Cutoff Calendar field that displays the current reporting period data. Displays the date Dispute distributions are due to be loaded to the Portal.
Dispute Submission	Current Cutoff Calendar field that displays the current reporting period data. Displays the date Dispute submissions are due to be entered into the Portal.
Download	Displays a radio button to allow downloading of distributed invoice summary information loaded to the system.
EFTID	Displays EFT identifying information in the specified format of CG for Coverage Gap; YYQQ for the reporting period; 9999 for the P number and Z9999 for the contract number. Example: CG14039999Z9999.

<u>Term</u>	<u>Definition</u>
Failed (Status)	Status designation of an invoice that denotes that one (1) or more items have an unsuccessful payment attempt.
Failed (Code)	Provides an informational message when an invoice line item does not successfully process payments to Manufacturers or Sponsors.
Help	Provides link to reference guides and system code messages and descriptions.
Incomplete	Status designation of an invoice that denotes that one (1) or more items have not been paid.
Initiate Payment	Provides a check box to allow the payment process to begin for an individual invoice line item.
Invoice	Report type that displays the summary information of distributed invoices and provides the ability to download files for review.
Invoice Distribution	Current Cutoff Calendar field that displays the current reporting period data. Displays the date distributed invoices were posted to the Portal.
Invoice Paid by	Current Cutoff Calendar field that displays the current reporting period data. Displays the final due date all invoice line items are to be processed for payment.
Invoiced Amount	Displays the invoice line item amounts due to either the Manufacturer or Sponsor.
Invoiced Reporting Period	Region of the active tab that provides the reporting period of the invoice line items displayed.
Last Download	Displays the last date and time distributed invoice summary data retrieved from the Web Portal. Date format is MM/DD/YYYY. Time format is HH:MM AM/PM.
Logout	Provides one (1)-click access for logging out of the system.
Manufacturer	Any entity which is engaged in the production, preparation, propagation, compounding, conversion or processing of prescription drug products, either directly or indirectly, by extraction from substances of natural origin, or independently by means of chemical synthesis or by a combination of extraction and chemical synthesis. Such term does not include wholesale distributors or retail pharmacies licensed under State law. <i>From Medicare Coverage Gap Discount Program Agreement, item I.j.</i>
My Profile	Provides ability to enter and review business contact information for Manufacturers and Sponsors.
Outstanding	Status designation of an invoice that denotes no payment activity has taken place.
P Number	Pending contract number assigned by CMS which allows participation in the Coverage Gap Discount Program.
Parent Org. ID	Numerical designation assigned by CMS to Sponsor.
