Subject: Release of Medicare Advantage Encounter Data Submission Performance Reports – Q1 2023

Date: Wednesday, June 7, 2023 4:38:51 PM

Submission Performance Reports (SPRs) have been sent to Medicare Advantage Organizations (MAOs) since 2019 to help plans review instances where their encounter data submission patterns appear particularly low and for which technical assistance and feedback from CMS may be appropriate.

The Medicare Advantage Encounter Data Submission Performance Reports for Q1 2023 are available at:
