Subject: Release of Medicare Advantage Encounter Data Submission Performance Reports – May 2023 - Correction

Date: Wednesday, June 14, 2023 4:06:37 PM

Submission Performance Reports (SPRs) have been sent to Medicare Advantage Organizations (MAOs) since 2019 to help plans review instances where their encounter data submission patterns appear particularly low and for which technical assistance and feedback from CMS may be appropriate. This notification is being resent to correct the link to the performance reports below.

The Medicare Advantage Encounter Data Submission Performance Reports for May 2023 are available at:

HPMS Home Page > Risk Adjustment > Encounter Data > Submission Performance Report > May 2023 Update

If you have questions about your Submission Performance Report, please email RiskAdjustmentOperations@cms.hhs.gov with the subject line "Submission Performance Report-May 2023 Update."
