Subject: Registration Open: 2025 Part D Risk Adjustment Model Update User Group

Date: Tuesday, August 29, 2023 4:25:42 PM

CMS is pleased to announce a User Group has been scheduled for **September 14, 2023, from 2:00 – 3:00 p.m. ET** and registration is now open.

As part of our effort to implement the Inflation Reduction Act (IRA), CMS will host a User Group to provide an overview of, and answer questions related to, updates to the 2025 Part D Risk Adjustment Model to reflect the IRA's Part D redesign.

To register, go to the [Zoomgov Registration Site](#), complete the form, and select 'Register'. Please make sure to enter a valid contract ID or P# (*i.e.*, HPMS Contract ID) for the current or upcoming year and include the name of your organization. This ensures we have all the information necessary to make registration determinations. All attendees must register using a professional email address associated with their organization. Please note that all registrations need to be approved by CMS.

Registrants will subsequently receive an email from no-reply@zoomgov.com. Please add no-reply@zoomgov.com to your contacts to prevent notification emails from getting caught by spam filters. Questions about registration can be directed to RiskAdjustmentPolicy@cms.hhs.gov.

Registration closes on September 8, 2023, at 5:00 p.m. ET.

For any Zoomgov access issues, please contact the Moderated Services Helpdesk at 410-786-2580, Option 7, or ModeratedServices@cms.hhs.gov.

The slide deck will be posted to [CSSC Operations - Training/User Group](#) and the [Risk Adjustment webpage](#) on cms.gov
