

## Fast Fact About CJR Connect

### Refer to Frequently Asked Questions (FAQs)

On the Connect site, there is a CJR Group dedicated to frequently asked questions called CJR FAQs. This Group is a searchable, interactive list of the most up to date CJR frequently asked questions and answers. All CJR Connect users are automatically added to the CJR FAQs Group after their account is created. To view the FAQs in the Group:

1. Log in to [CJR Connect](#).
2. Navigate to the Groups on the left and click on the CJR FAQs tile.
3. Once in the CJR FAQs Group, you can scroll through the Feed to read through the FAQs. If you are looking for a specific question, you can enter key words into the search bar located on the Feed.

4. Connect users are able to Upvote FAQs on the Feed but are not able to comment. If you have a question about an FAQ or do not see an answer to your question, please email CJR Support at [CJRsupport@cms.hhs.gov](mailto:CJRsupport@cms.hhs.gov).
