DY 4	January 1, 2019 – December 31, 2019
DY 5	January 1, 2020 – December 31, 2020
DY 6	January 1, 2021 – December 31, 2021

Information about the applicable demonstration years for each state-specific measure, as well as benchmarks and other details, can be found in the measure descriptions below. Note that CMS and the State may elect to adjust the benchmarks or other details based on additional analysis or changes in specifications. Stakeholders will have the opportunity to comment on any substantive changes prior to finalization.

Applicability of the Gap Closure Target to the State-Specific Quality Withhold Measures

The gap closure target methodology as described in the CMS Core Quality Withhold Technical Notes **will** apply to the state-specific measures contained in this attachment, unless otherwise noted in the measure descriptions below.
