Subject: Updated Federal Standard Renewal and Product Discontinuation Notices, and Enforcement Safe Harbor for Product Discontinuation Notices in Connection with the Open Enrollment Period for Coverage in the Individual Market in the 2024 Benefit Year

I. Purpose

The Centers for Medicare & Medicaid Services (CMS) is publishing this guidance to provide updated Federal standard renewal and product discontinuation notices for issuers in the individual market to satisfy the requirement to provide notice of product discontinuation, coverage renewal, and non-renewal or termination based on enrollees' movement outside the product service area, in a form and manner specified by the Secretary of Health and Human Services (the Secretary). These updates include changes to reflect the Exchange re-enrollment hierarchy policy promulgated in the "Patient Protection and Affordable Care Act, HHS Notice of Benefit and Payment Parameters for 2024" at 45 CFR 155.335(j).¹ In addition, this guidance announces that, in connection with the open enrollment period for coverage for the 2024 benefit year, CMS will not take enforcement action against an issuer in the individual market for failing to provide notice of product discontinuation at least 90 calendar days prior to the date of the discontinuation, as long as the issuer provides the notice consistent with this guidance.

II. Updated Federal Standard Notices

Under guaranteed renewability requirements of the Public Health Service Act (PHS Act) and their implementing regulations,² a health insurance issuer that discontinues or renews a product³ in the group or individual market through or outside of an Exchange (also referred to as a Health Insurance Marketplace[®] or Marketplace⁴) (including a renewal with uniform modifications), or that non-renews or terminates coverage in the group or individual market through or outside of

¹ 88 FR 25740.

² Sections 2712 and 2742 of the PHS Act, as added by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and section 2703 of the PHS Act, as added by the Patient Protection and Affordable Care Act (ACA), and 45 CFR 146.152, 147.106 and 148.122.

³ The terms "product" and "plan" are defined by regulation at 45 CFR 144.103.

⁴ Health Insurance Marketplace is a registered service mark of the U.S. Department of Health & Human Services.

an Exchange based on movement of all enrollees in a plan or policy outside the product's service area, must provide written notice in a form and manner specified by the Secretary.⁵

Under qualified health plan (QHP) issuer regulations at 45 CFR 156.1255, a health insurance issuer in the individual market must include certain information in the applicable renewal and discontinuation notices.⁶ Those regulations address situations in which an issuer (1) is renewing an enrollment group's coverage in a QHP offered through an Exchange (including a renewal with uniform modifications), or (2) is non-renewing or terminating coverage based on a discontinuance of the product or there no longer being any enrollee in the plan who lives, resides, or works within the product's service area, and, consistent with applicable State law, automatically enrolling an enrollee in a QHP under a different product offered by the same QHP issuer through the Exchange in accordance with 45 CFR 155.335(j).

The final rule, "Patient Protection and Affordable Care Act, HHS Notice of Benefit and Payment Parameters for 2024",⁷ revised the Exchange re-enrollment hierarchy at 45 CFR 155.335(j) to allow an Exchange, beginning in the 2024 benefit year, to automatically re-enroll enrollees who are eligible for income-based cost-sharing reductions in accordance with 45 CFR 155.305(g), from a bronze level QHP to a silver level QHP within the same product and provider network, if the premium after the application of advanced payments of the premium tax credit is lower or equivalent for the silver level QHP as compared to the bronze level QHP into which the enrollee would otherwise be re-enrolled (referred to here as the "bronze-to-silver crosswalk policy").

The updated Federal standard renewal and product discontinuation notices have been revised to improve consumer understanding and, in attachments 2, 4 and 6, to account for the bronze-to-silver crosswalk policy.

The updated Federal standard notices in this Bulletin must be sent by issuers in the individual market, including QHPs, for policy years beginning on or after January 1, 2024 (that is, beginning with notices required to be provided in connection with enrollment for coverage in policy years that start in 2024) to meet the Secretary's specification regarding the form and manner of the required notices.

⁵ The requirement to provide notices of renewal applies only to issuers in the individual and small group markets. The requirement to provide notices of product discontinuation and notices of non-renewal or termination based on enrollees' movement outside the service area applies to issuers in the individual, small group, and large group markets. These requirements are imposed pursuant to the PHS Act at section 2703, as added by the ACA, and sections 2712 and 2742, as added by HIPAA prior to enactment of the ACA, as codified in implementing regulations at 45 CFR 146.152, 147.106, and 148.122, respectively. For ease of reference, we refer in this Bulletin only to the requirements codified in section 2703 and 45 CFR 147.106, but references to section 2703 and 45 CFR 147.106 should be considered to include references to the applicable sections of all three statutes and regulations.

⁶ 45 CFR 156.1255(a)-(d).

⁷ 88 FR 25740 (April 27, 2023).

Consistent with previous guidance, in cases where a State develops and requires the use of a different form consistent with CMS guidance, issuers in that State will be required to use notices in the form and manner specified by the State.

III. Enforcement Safe Harbor for Product Discontinuation Notices in Connection with the Open Enrollment Period for Coverage in the Individual Market in the 2024 Benefit Year

Under the guaranteed renewability provisions of the PHS Act, and the implementing regulations previously specified in this bulletin, a health insurance issuer that elects to discontinue offering a particular product in the group or individual market generally must provide notice of such discontinuation at least 90 calendar days prior to the date of the discontinuation. The purpose of this requirement is to inform consumers that their current health coverage is being terminated and that they have other health coverage options.

Due to the timing of QHP certification for each of the 2015 through 2023 benefit years, issuers were in many instances unable to finalize their plan offerings until closer to the start of the annual open enrollment period, after the deadline to meet the 90-day discontinuation notice requirement. This meant consumers could potentially receive product discontinuation notices without being able to take prompt action to shop for new coverage, and issuers would not have been able to suggest replacement coverage options, as explicitly envisioned by these notices. Therefore, in connection with the open enrollment period for coverage in each of those benefit years, CMS announced that it would not take enforcement action against an issuer for failing to meet the 90-day requirement in the individual market, under certain conditions.⁸

Consistent with previous guidance, in connection with the open enrollment period for coverage in the 2024 benefit year, CMS will not take enforcement action against an issuer for failing to provide a product discontinuation notice with respect to individual market coverage at least 90 days prior to the discontinuation, as long as the issuer provides such notice consistent with the timeframes applicable to renewal notices. The renewal notice timeframe for non-grandfathered, non-transitional plans⁹ is before the first day of the next annual open enrollment period, and for grandfathered health plans and transitional plans is at least 60 days before the date of renewal.

⁸ For the most recent such announcement, see “Enforcement Safe Harbor for Individual Market Product Discontinuation Notices in Connection with the Open Enrollment Period for Coverage in the 2023 Benefit Year” (June 22, 2022), available at <https://www.cms.gov/files/document/safe-harbors-related-federal-standard-renewal-and-product-discontinuation-notices.pdf>.

⁹ For the requirements to qualify as a grandfathered plan, see 45 CFR 147.140. For the requirements to qualify as a transitional plan, sometimes known as a grandmothers plan, as well as the most recent guidance with respect to such plans, see “Insurance Standards Bulletin Series – INFORMATION – Extension of Limited Non-Enforcement Policy through 2023 and Later Benefit Years” (Mar. 23, 2022), available at <https://www.cms.gov/files/document/extension-limited-non-enforcement-policy-through-calendar-year-2023-and-later-benefit-years.pdf>.

States are encouraged to offer similar flexibility to issuers. CMS will not consider a state to have failed to substantially enforce the guaranteed renewability requirements because the state adopts such an approach.

This non-enforcement policy is limited to product discontinuations with respect to individual market coverage in connection with open enrollment. Issuers must continue to provide at least 90 days' notice of a product discontinuation with respect to group market coverage, and with respect to the discontinuation of an individual market product at other times of the year.

Taglines are optional but encouraged for issuers outside the Exchange if they are not subject to language access standards under applicable Federal or State law. As a reminder, issuers covered by Section 1557 are responsible for providing timely and accurate language assistance in non-English languages, regardless of whether a tagline is provided in the language, if the provision of such language assistance is a reasonable step to provide meaningful access to an individual with limited English proficiency in the issuer’s health programs or activities.¹⁰

¹⁰ 45 CFR 92.101.

A non-QHP issuer offering coverage outside the Exchanges is subject to Section 1557 if any health program or activity of the issuer receives Federal financial assistance. See 45 CFR 92.2, 92.4. A QHP issuer offering plans outside of the Exchange may still have to comply with Section 1557 for its plans offered outside the Exchange if the QHP issuer is principally engaged in the provision or administration of health-related services, health-related coverage or other health-related coverage. Consequently, a QHP issuer must comply with the nondiscrimination requirements of Section 1557 for the issuer's plans offered both inside and outside the Exchanges.

If there are no such applicable tagline requirements, the following optional tagline may be inserted:

Attachment 4: Notice for the individual market where coverage was in a QHP offered through the Exchange and the issuer is automatically enrolling the enrollee in a plan under a different product offered through the Exchange

[1 Date]

[2 [First Name]][Last Name]

[Address line 1]

[Address line 2]

[City][State][Zip]

Important: Your plan will not be offered through the [3 Exchange] [4 in your area] next year. **Take action by [5 Date]** or we'll automatically enroll you in a different [6 Exchange] plan. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing [7 Issuer] for your health care needs. [8 We're here to help you prepare for Open Enrollment].

Why am I getting this letter?

Starting [9 Date], we won't offer [10 in your area] your current health coverage [11 in the Exchange]. The last day of your current [12 Exchange] coverage is [13 Date]. Read this letter carefully and review your options. Also make sure to update your information with [14 Exchange].

Your new plan for [15 Year]

We found another [16 Exchange] plan that may meet your needs. If you don't pick another plan by [17 Date], we'll automatically enroll you in [18 Plan name]. Your coverage in [19 Plan name] will start in [20 Month]. (Get details on picking another plan in "What you need to do" below.)

Your new premium

- **Starting in [21 Month], your new monthly payment is estimated to be: \$[22 Dollar amount].**

Here's the math: Monthly premium of \$[23 Dollar amount] minus [24 Phrase or dollar amount] of possible cost help. Your actual monthly payment may be different because your financial help may change [25 in Year]. You'll find out your new monthly payment when you receive your [26 Month] bill.

Important: This estimated monthly payment is based on current information we have for [27 Year]. It might not account for some or all changes that could impact your monthly payment, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly payment, update your [28 Exchange] application. Get details in "What you need to do" below.

- Your [29 Current Year] monthly payment is \$[30 Dollar amount]. Here's the math: Monthly premium of \$[31 Dollar amount] minus \$[32 Dollar amount] of financial help you get each month.
- [33 *For enrollees currently enrolled in a bronze level QHP, and the new plan to which the premium information above applies, is a bronze level QHP, insert*]: **Important:** If you currently have a Bronze category plan and qualify for extra savings, [34 Exchange] may enroll you in a Silver plan from [35 issuer] so you'll get the most help to lower your costs in [36 Year]. The Silver plan has the same network and an equal or lower monthly payment as the new plan to which the premium information above applies, but covers more of your out-of-pocket costs, like copayments, coinsurance and deductibles. Enrolling in this (or another) Silver plan may save you thousands of dollars each year.
- [37 Exchange] may contact you about [38 this and] other reenrollment options if you don't choose a different plan on your own during open enrollment.
- [39 *For enrollees currently enrolled in a bronze level QHP and who are being re-enrolled in a silver level QHP by the Exchange per 45 CFR 155.335(j)(4), insert*]: **Important:** Since you qualify for extra savings, [40 Exchange] is enrolling you in a Silver plan from [41 issuer] so you'll get the most help to lower your costs in [42 Year]. The Silver plan will cover more of your out-of-pocket costs, like copayments, coinsurance and deductibles. Enrolling in this (or another) Silver plan may save you thousands of dollars each year.

Other changes

- [43 *Briefly describe plan changes and/or refer to enclosed materials*]
- You can review more details about this plan at [44 Issuer website] and in your [45 Year] Summary of Benefits and Coverage at [46 SBC web page].

If you want to pick another plan, enroll by [47 Date] to make sure you have the coverage you want. See below for more information.

What you need to do

1. Update your [48 Exchange] application by [49 Date].

Review and if necessary, update your [50 Exchange] application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help [51 in Year] than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Decide if you want to enroll in this plan or choose another one.

I want to enroll in this plan

Select [52 Plan name and ID] to enroll.

[53 For re-enrollment from a silver level QHP into a non-silver level QHP (except for Indian enrollees), insert: **Important:** This isn't a Silver plan in [54 Year]. This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. To get these savings if you qualify, you must go back to [55 Exchange] and enroll in a Silver plan. If you don't, any financial help you currently get to lower your out-of-pocket costs will stop on [56 Date].]

I want to pick a different plan.

- You can choose a different plan between [57 Dates]. Enroll by [58 Date] for coverage to start [59 Date]. [60 *Issuers on the Federally-facilitated Exchange or on a State-based Exchange on the Federal platform insert:* If you choose a plan between December 16 and January 15, the new plan will start February 1.]

Here are some ways to look at other plans and enroll:

- Visit [61 Exchange website] to see other [62 Exchange] plans. Compare plans to save money and find a plan that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in.
- Check with [63 Issuer] to see what other plans may be available.
[64 **Important:** You may be able to keep your current coverage, but [65 in Year] it won't be offered [66 as a Silver plan] through [67 Exchange.] Remember, you won't get financial help [68 to lower your out-of-pocket costs] unless you qualify and enroll [69 in a Silver plan] through [70 Exchange].]

Note: If you got financial help in [71 Year] to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during [72 Year] with the amount you actually qualify for based on your final [73 Year] household income and eligibility information. If the amounts are different, it may change the amount you owe or get back when you file your taxes. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>

Taglines are optional but encouraged for issuers outside the Exchange if they are not otherwise subject to language access standards under applicable Federal or State law. As a reminder, issuers covered by Section 1557 are responsible for providing timely and accurate language assistance in non-English languages, regardless of whether a tagline is provided in the language, if the provision of such language assistance is a reasonable step to provide meaningful access to an individual with limited English proficiency in the issuer's health programs or activities.¹³

For QHP issuers subject to Section 1557 that are principally engaged in the provision or administration of health-related services, health-related coverage or other health-related coverage, all of the issuer's operations are considered part of the health program or activity, with limited exceptions. Consequently, a QHP issuer must comply with the nondiscrimination requirements of Section 1557 for the issuer's plans offered both inside and outside the Exchanges. A non-QHP issuer offering coverage outside the Exchanges might also be subject to Section 1557 if any health program or activity of the issuer receives Federal financial assistance.

If there are no such applicable tagline requirements, the following optional tagline may be inserted:

Attachment 6: Discontinuation notice for the individual market where coverage being discontinued was in a QHP offered through the Exchange and the issuer is not automatically enrolling the enrollee in a different plan

[1 Date]

[2 [First Name]][Last Name]

[Address line 1]

[Address line 2]

[City][State][Zip]

Important: Your health coverage is ending. **Take action by [3 Date]**, or you may not have health coverage in [4 Year].

Thank you for choosing [5 Issuer] for your health care needs. [6 We're here to help you prepare for Open Enrollment.]

Why am I getting this letter?

Starting [7 Date], we won't offer [8 in your area] your current health coverage [9 in the Exchange]. The last day of your current [10 Exchange] coverage is [11 Date]. Read this letter carefully and review your options.

You can choose a different plan between [12 Dates]. **Enroll in a different plan by [13 Date] to avoid a gap in your coverage.**

What you need to do

Review your coverage options and pick a different plan. If you don't have health coverage, you'll have to pay for all of your health care.

1. Update your [14 Exchange] application by [15 Date].

Review and if necessary, update your [16 Exchange] application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help in [17 Year] than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Choose a different plan.

Here are some ways to look at other plans and enroll:

- Visit [18 Exchange website] to find other [19 Exchange] plans. Compare plans to save money and find a plan that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in.

If you don't enroll in a plan on your own, [20 Exchange] may automatically enroll you in a plan it picks for you.

[21 *For enrollees currently enrolled in a bronze level QHP, insert:*] Also, if you currently have a Bronze category plan and qualify for extra savings, [22 Exchange] may enroll you in a Silver plan so you'll get the most help to lower your costs in [23 Year].

- Check with [24 Issuer] to see what other plans may be available, including whether the plan you now have can be purchased directly through [25 Issuer].

[26 *Issuers on the Federally-facilitated Exchange or on a State-based Exchange on the Federal platform, insert:* If you choose a plan between December 16 and January 15, the new plan will start February 1.]

[27 **Important:** You may be able to keep your current coverage, but in [28 Year], it won't be offered [29 as a Silver plan] [30 through the Exchange]]. Remember, you won't get financial help [31 to lower your out-of-pockets costs] unless you qualify and enroll [32 in a Silver plan] through [33Exchange].

Note: If you got financial help in [34 Year] to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you got in advance during [35 Year] with the amount you actually qualify for based on your final [36 Year] household income and eligibility information. If the amounts are different, it may change the amount you owe or get back when you file your taxes. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>
